(Register in advance)

• **SSAT:**

**Determine** if your child is taking the SSAT and then **Request** Accommodations and **Register** for the test – See SSAT tab in SSA section of Parent Community Pages for steps accommodations request and working through the process

• **Familiarize** yourself with the two preferred application portals:

-Ravenna (<https://www.ravenna-admit.com/login.php>) and/or

-The Standard Application Online([The Standard Application Online](#))

\*These are the most common application methods for private schools

• **Notify** your child's Advisor with the dates that your child will be out for school any school appointments and report their absence

• **Ask** your child to email or visit their Secondary School Advisor to schedule a mock interview, if they are preparing for school interviews

**If you are considering public school:**

- **Register** with your local school district (if you don't have a current IEP)
- **Contact** your town's middle and high school special education departments and let them know of your intention to potentially enroll
- **Join** your town's SEPAC (Special Education Parent Advisory Council) to gain more information on services provided in your school district
