

Vae View Community Council Minutes

February 16, 2021

Attending:

Principal Laypath, Katherine Hansen, Don Paver, Abbie Evenson, Kathi Quantz, McKay Allen, Travis Mackey, Michael VanderDoes

Principal/Teacher Report:

Thanks for the community support. New PE teacher. How to get community back to the school? Kindergarten registration.

Parent/Community Report:

Concerns about 1600 N. Cars parking in red zones. Ideas to help: Flashing lights, 20 mph school zone; cones in red zones in front of school. Have classes come in different doors to help with street congestion. Change language in the Handbook. Remind parents about not dropping students off in bus loop. Possibly second crosswalk? Ask law enforcement to help with cars parked in red, count number of cars parking illegally, remind drivers about rules.

School Improvement Plan:

Talked about the current school improvement plan and what the money can be spent on. Discussed goals that we would like the school to work on for next year. Approve next year's school improvement plan at the next meeting.
