

## P-EBT BENEFIT CARDS

Pandemic EBT (P-EBT) benefits are now available to eligible students in our school district. P-EBT is money for food for meals students missed at school during the school day because of the pandemic. Benefits are available to students who are:

- Eligible for free or reduced-price school meals AND
- Enrolled in our school district this school year.

**There is no need to apply to receive these benefits.** Each eligible student will receive a P-EBT card in the mail. If your family has moved recently, please make sure your address on file with our district is up to date. The cards with the first payment of these benefits will arrive in your mail sometime in March.

**Keep your P-EBT Card!** More benefits may be added throughout the school year to students' EBT cards if:

- Schools remain closed OR
- If students continue to miss meals served during the school day due to reduced school hours.

Students can continue to take part in free curbside pickup (available at North Tapps Middle School) and still get P-EBT. To learn more about our curbside pickup, visit our website at [Dieringer.Wednet.edu](http://Dieringer.Wednet.edu)
