## From the principal's desk

### **PHS Awarded 14 Commended Students in the 2022 National Merit Scholarship Program**

Academic excellence is always something special to celebrate and this year Parkland High School students **Mariana L. Aubele-Gonzalez, Alexander K. Forgosh, Kharan V. Joshi, Abraham N. Kashkoush, Raaheem T. Khondaker, Harrison H. Kim, Lalitha Loka, Prince G. Patel, Brenna M. Pelizzoni, Rishika Rohatgi, Jacob R. Seed, Sophie E. Sheridan, Prisha Srivastava, and Ella N. Wu** have been named Commended Students in the 2022 National Merit Scholarship Program. Each of these excellent students has received a Letter of Commendation from the school and the National Merit Scholarship Corporation. They represent a select group of 34,000 Commended Students across the nation who scored among the top five percent of the more than 1.4 million students who entered the National Merit Scholarship Program. The administration, faculty, and student body congratulate these Commended Students and their parents for these outstanding accomplishments.

October was an enjoyable month as our students were able to return to traditional activities during Homecoming Week. The students relished the opportunity to compete in the Garter Bowl, float building, the big game, and all the fun of Spirit Week in school. We had a slight delay with the dance and while not the preferred plan, moving the Homecoming Dance indoors was a tremendous success. I want to thank the students for their patience in preparation for and outstanding behavior at the dance.

As we reached the end of October our students started to hit their groove moving throughout the building and getting back into a routine. Another routine Parkland students are returning to is sports playoff seasons. **Girls Tennis** enjoyed a tremendous season as EPC and District XI Champs while **Boys Cross-country** won the EPC boys title. Good luck to the four runners at the state championships. Both **soccer** teams and field hockey have enjoyed outstanding seasons as they compete in District XI playoffs this week. Having overcome several key injuries, **Football** is the #1 seed in Districts as they seek glory in the second season. **Girls Volleyball**, currently #1 in PA, preps for the District XI championship on Wednesday at Catasauqua High School. I say this time and time again to everyone outside of our school's halls, "our athletes are terrific representatives of Parkland . . . great *STUDENT* athletes and even better people." Thanks to all our student athletes for terrific seasons and good luck to our remaining teams in competition.

We had the joy of seeing our thespians back on the stage with their production of **Stage Door**. The show provided a bunch of laughs, one liners, and plenty of intrigue. The students did an amazing job working under some unique circumstances just to pull off the show. Kudos to them for their terrific performances. We look forward to our family show **Disney's Moana, Jr.** making its debut on Friday, November 12 and running through Sunday, November 14. The talents of our students are endless and I know you will enjoy the show.

Last month's "**Post-Secondary Planning Workshop**" was postponed until Wednesday, November 17. This presentation, which is very beneficial for college preparation, will be done in-person, courtesy of our School Counseling Staff. Two quick reminders: the first marking period ends on Thursday, November 4 and on Wednesday, November 24 we will have a 1 PM dismissal. I hope everyone has a safe and Happy Thanksgiving.

Sincerely,

James E. Moniz II

# CHARACTER COUNTS

**Respect** is Parkland's Character Counts pillar of the month. Respect, whether for our school, ourselves, or our peers, is critical to building a positive and productive culture and climate in a school. Having students home for so long has disrupted some of the common building-wide respect expectations, but we are working hard to reestablish the culture and climate Parkland has always maintained. In a world that presents so many challenges to our students, we need them to focus on what they value for themselves and how they treat each other daily. To quote a Vietnamese Proverb "Nice words are free, so choose ones that please another's ears." This powerful quote can uplift someone when feeling down and it creates a focus on the positive. This is something which is critical for a young adolescent's development and growth. We want our students to be good listeners in addition to having the ability to appreciate and understand differences so they can work and live together productively. We will emphasize that even when times are tough, to always remember "No one can make you feel inferior without your consent." - Eleanor Roosevelt

# Visual and performing arts

The month of November may have a few less school days than others, but the activity in the A-wing is in high gear. Practices, performances, auditions, and studio work start to reach a mid-fall peak.

As our Marching Band season comes to an end in the upcoming weeks, it is that time of year that we encourage students to start thinking about our competitive performance groups: the **Indoor Color Guard** and the **Indoor Percussion Ensemble**. We are looking for dedicated students who have a passion for performance and music. All current Marching Band students are eligible to audition for both groups.

On **Thursday, November 4 at 7 PM** there will be a meeting to receive more information and ask any questions that you may have about this activity. We will meet in the **PHS Band Room**, and parent attendance is required.

## Congratulations

Senior **Victor Cai** made the NAFME All-National Orchestra. This qualifies Victor as one of the top high school violinists in the country. We are extremely proud of Victor and his wonderful leadership and accomplishments.

## PHS Strolling Strings

The PHS Strolling Strings are delighted to be performing again in public. The Strolling Strings performed in September for the anniversary celebration of the Sniscaks and will be performing for multiple holiday gatherings in November and December.

# Information from the Health Room

## Not sure if you should send your student to school? Use the Student Health Screening Tool

The Student Health Screening Tool, located on the [Parkland High School Website](#), is an algorithm to assist you in decision making based on your child's symptoms or situation during the pandemic. For information regarding the Coronavirus (COVID-19), please see the [district website](#).

### Flu Season

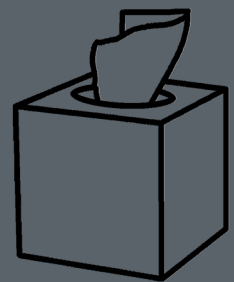

The Flu Season occurs from October through April. With the COVID-19 pandemic, it is more imperative to get the flu vaccine. Check with your doctor about getting the flu vaccine for your student.

To help stay healthy and decrease the spread of illness in the school, we are encouraging all families to adhere to the following guidelines for sending your child to school.

**Please keep your child home from school if he or she is experiencing any of the following symptoms:**

- Fever of 100 degrees or more
- Vomiting
- Diarrhea
- Severe head cold, persistent cough or severe sore throat

It is advised that a student should be fever free for twenty-four hours without the use of fever reducing medications before returning to school.

### Colds and Allergies

Please be advised that the Health Room **does not** have cold or allergy medications. If your student has cold symptoms or allergies, please medicate as needed before or after school.

## Health forms available online

All Health Forms are available  
on the PHS Website under  
Health Services [here](#).

## Juniors

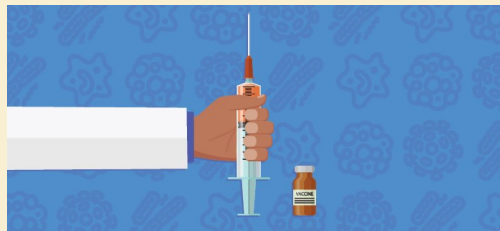

### Return Completed Physicals to the Health Room

All eleventh grade students should return their physicals to the Health Room as soon as possible. Forms are available on the PHS website.

### New Immunization Requirement

The meningitis vaccine is required on or after your student's 16th birthday. Students in grade 11 will be required to have this immunization on the first day of their senior year. The eleventh grade physical is a good time to be sure this immunization is completed.

## Reminders about medication during the school day

Students who need medication during the school day will need to submit a parent authorization **and** a physician's order for prescription or over-the-counter medications.

All medication, prescription and nonprescription, must be brought to the school by a parent **and/or guardian**. Forms are available on the PHS website.

If you have any questions for the Health Room staff, do not hesitate to call.

# Driver's Education

## Tips for Parents and Guardians

Parents and guardians are critical components to keeping teen drivers safe on the roads, as they have the ability to best assess the teen driver's knowledge, skills and maturity. Here are some tips for teaching your teen to drive:

- Set an example.
- Talk about driving with your teen even before they turn 16.
- Know the rules of the road.
- Make sure your vehicle is safe and well-maintained.
- Be familiar with the tasks and requirements of teaching your teen to drive. Use PennDOT's publication, [The Parent's Supervised Driving Program](#).
- Start out slow and simple, in a low-traffic area or a parking lot.
- Work your way into more difficult driving.
- Allow your teen to drive in all situations and all kinds of weather.
- There is no such thing as too much practice.

#### ALMA MATER

Words and Music by Effie Minnich '30

Alma Mater! Alma Mater!  
Noble Shrine of Truth and Light;  
We praise Thee ever to the skies,  
Where Wisdom rules the heavens bright.  
Portals wide are ever opened  
To our youth which, ne'er denied,  
Acclaims Thee with exulting voice,  
So joyful with Thee to abide.

Praises linger on our lips  
As we depart Thy cherished halls,  
No more to view the happy throngs  
Of loved ones still within Thy walls.  
Ne'er forgetting, ne'er regretting  
Precious days so quickly gone,  
Oh! Alma Mater,—as we start  
Upon our road—now help us on!

## CONGRATULATIONS

Congratulations to Parkland High School senior, **Jenaye Saunders**, on becoming one of the first female students from Pennsylvania to become an Eagle Scout.

Jenaye has been a member of the Girl Scouts since first grade, but when the Boy Scouts of America opened its doors to girls in February 2019, she jumped at the chance to join. Jenaye's Eagle Scout project involved more than 20 fellow Scouts, friends and relatives working together to paint a mural on the walls of the waiting room in the Sixth Street Shelter for the homeless in Allentown.

# HOMECOMING<sup>2021</sup>

Students were able to enjoy multiple activities on the evening of October 30 at the 2021 Homecoming Dance. Student Council members set up for the dance a little differently this year using the auxiliary gym for games such as ping pong, can jam, and badminton, using the main gym for dancing and the cafeteria for a little quiet water break. Fun was had by all.

1 Congratulations to **Vincent Rizzuto** and **Reagan Kinney** for being voted this year's Homecoming King and Queen at the Homecoming Dance.
