

LEADERSHIP GIVING

The St. Paul's Schools develop confident, well-balanced students who will use their education and ethics to improve the world. Through the generous financial support of our community, St. Paul's students are able to learn in a small-school environment where they can stretch their capabilities and access a wide range of opportunities across our 120-acre campus.

Leadership gifts of \$2,500 or more are the cornerstone of our fundraising success. These leadership giving levels recognize the highest levels of giving to St. Paul's and are inspired by the elements of The St. Paul's Schools logo.
