November 2, 2021

Dear Keeneyville District 20 Families,

We continue to be strongly committed to the health and safety of our students and staff. To help stop the spread of illness and keep our schools open for in-person learning, we will offer a **free, convenient, and optional D20 COVID-19 Testing Program** for students and staff starting the week of 11/8 for Staff and the week of 11/15 for Students. With the addition of the testing program as new COVID-19 screening tool, starting Trimester 2 (which begins on 11/8), *we will no longer require families to complete a daily health certification card for their students.*

For full details about the program, including how the offered testing opportunities can help your family, go to <https://www.esd20.org/return-to-learn/covid-19-testing-program>

REGISTRATION

To opt-in to this free, voluntary COVID-19 testing program, parents/guardians must register and provide consent. You must register each of your students separately.

We request online registration by Monday, November 15 in order to plan for appropriate testing, staffing, and resources. ***However, you may opt-in (or opt-out) of the testing program at any time, on a rolling basis.*** You may also provide ***immediate consent*** at your school office if your child should become ill and you desire a fast, convenient onsite testing option to get your child back to school as soon as possible.

We will continue to closely monitor school COVID-19 data and provide notice of positive cases to our community on the [D20 COVID-19 Dashboard](#) on our website. District 20's goal is to help keep our learning environment as safe as possible, so that our students and staff can Stay Healthy and Stay in School!

Sincerely,

Dr. Omar Castillo
