## **Palos 118 Board Member Achieves Master Board Member Status from State**

Palos School District 118 school board member Pamela Paris has earned Master Board Member status from the Illinois Association of School Boards (IASB).

Master Board Members earn points by attending IASB division meetings, governing meetings, legislative leadership programs, as well as holding positions of leadership within the Association.

Mrs. Paris, who currently serves as the school board's vice president, has been a District 118 board member since 2015 and has served in a number of leadership roles within the District. She currently serves as board liaison for the District 118 Foundation, the Parent Faculty Association (PFA), and the Music Parents Association (MPA.)

“I am honored to serve as a school board member for Palos 118,” said Mrs. Paris.

“Participating in professional development is an important part of being an effective board member.”
