Our Nursery offers a stimulating, rich and fun environment for your child to play, explore and learn with other children and adults.

Led by an experienced, qualified teacher, our enthusiastic, caring Nursery team will support your child to reach their full potential.

Your child is bound to love our extensive, outdoor learning area which includes climbing apparatus, a wheeled vehicle track, role play areas, sand and water play, builders' construction areas and our soon to be completed theatre stage & mud kitchen.

Our on site Nursery ensures a smooth transition to Reception class and throughout the primary years.
