

Sparing no expense or effort,
Barbers Hill ISD will continue to safely educate students in the midst of the COVID-19 pandemic.

Section 2001 of the Elementary and Secondary School Emergency Relief (ESSER III), provides funding to Local Educational Agencies (LEAs) to address the impact of COVID-19 on elementary and secondary schools. BHISD consulted with students, parents, and administrators in May and June to discuss district needs and expenditure priorities. As a result, our ESSER funds will be allocated specifically to continue the tradition of excellence our stakeholders have come to expect.
