

Immunization Requirements*

2021 - 2022

Before entering or attending school in-person or virtually in Florida, each child must provide a *Florida Certification of Immunization* (DH 680 form), documenting the following vaccinations:

Pre – Kindergarten

Must have a Part-B (Temporary Medical Exemption Date)

3-4-Dtap

3-Polio

3-Hepatitis B

1-Varicella**

1-MMR

Hib (all children must have at least One after their first birthday to attend preschool or childcare)

Kindergarten - 12th grades

4-5-Dtap (Must have a dose after 4th birthday)

3-Hepatitis B (Last dose Must be after 6 months old)

3-4-5-Polio (Effective with the 2011-12 school year, if the 3rd or 4th dose of Polio is administered prior to the 4th birthday, A 4th or 5th dose of the Polio vaccine is required for **entry into kindergarten through ninth grades**).

2-MMR

2-Varicella**

7th - 12th grades

Tdap (An updated DH 680 form to include Tdap, must be obtained for submission to the school)

* General guidelines only, requirements may slightly be altered depending on the age the student started their immunizations. Vaccines must be administered at the appropriate ages and intervals.

** Varicella vaccine is not required if Varicella disease (year) is documented by the healthcare provider.

Immunizations are **required** by state statute. Students not appropriately immunized are **required by LAW** to be **EXCLUDED** from classes until compliant.
