

CHILD FIND DEVELOPMENTAL SCREENING

Child Find is a federal program that helps determine if your child has a disability and assists in providing appropriate services. These free of charge screenings help identify children with possible delays in learning, growth and development like speech and language as well as cognitive, motor and social skills.

What is checked?

Large muscle development
Eye-hand coordination
Communication
Concepts
Personal-social skills
Self-help skills

Who is eligible?

Any child, ages birth to 21 that lives in the Ephrata School District.

Various living arrangements can qualify children as eligible under the McKinney-Vento Act.

How to schedule

Contact the Ephrata School District Special Services Department:

111 4th Ave. NW
Ephrata WA 98823
(509) 754-3538

During screening, your child may stack small blocks, cut with scissors, draw, count, name colors, jump and have fun! Following, a trained professional will talk with you about the results and answer your questions. You may be given home suggestions, referred for further testing or be scheduled to have skills rechecked at a later date. Screening takes roughly 20 minutes.
