

\$40

SPACE elearning program

The Skokie Park District is offering an elearning program for District 69 K-5th graders on Tuesday, November 9th from 8am-4pm. The program will be held at Edison Elementary School, with pick-up and drop-off at Door J by the NW parking lot. We will be asking parents to provide a printout of your child's elearning schedule in advance so we know when they're to be online. Free-time activities will be offered throughout the day when there are breaks in elearning. Please be sure to send a device your child can use for elearning, a water bottle and a sack lunch as lunch will not be provided. Advanced registration is required and will close at 3pm on Monday, November 8th.
