Thank you for your interest in The Discovery School! Please take a few minutes to familiarize yourself with the application process. After your completed application is processed, you will receive a confirmation email from DiscoverySchool@cityschools.net. Within a few weeks of that email, you will receive another email with your child's testing date and time. Occasionally these emails are delivered to your spam folder. If you have not received a confirmation email within two weeks of submitting your application, please contact the school.

*City residents will be tested and offered positions first.*

*If there are remaining positions available, county residents will be contacted for testing.*

All information listed below must be attached in order for the application to be considered complete. Incomplete applications will not be processed. Please mail or bring completed application to the school. We are unable to accept applications via fax or email.
