Academy Update

We have been very impressed by the great donations made this week for our Harvest Festival, we shared some key information and watched some video clips of Dom's Food Mission, They have been in to collect the donations today and were so grateful. We also had great fun selling cakes on Thursday afternoon at our cake sale, we raised £127.37 in total.

Tickets for our Spooky Autumn Disco next Thursday are now available to purchase on Parentpay along with the opportunity to make a donation for our non uniform day on Thursday. Do see our updated letter regarding the arrangements for next week.

The academy will be closed for INSET on Friday 22nd October and Monday 1st November, staff will be completed training in safeguarding, Our Evolution of Me curriculum and speech and language programmes such as Word Aware.

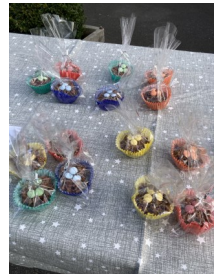

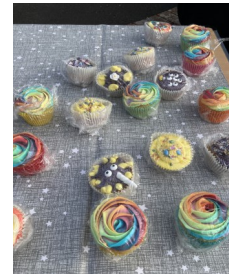

Harvest Festival donations

We have had a tremendous response to our Harvest Festival donation request. The donations are going to Dom's Food Mission who will put everything to good use.

Cake Sale

Our cake sale after school on Thursday was a great success. We raised funds to help us replace stolen and vandalised outdoor equipment. Thank you to all children and parents who baked goodies to bring in and to our parent helper. We have some very talented bakers in our community.

News Update

How to Set up PARENTAL CONTROLS For APPS Android Phone

On Android phones, restricting access to particular apps usually requires going onto Google Play. Sometimes, it's fairly easy to navigate your way through the settings to manage the parental controls and restrictions relating to any apps on the device. These features can prevent your child from downloading or buying anything available for their age. Updated versions of apps or games that your child has already installed may occasionally contain something inappropriate, so we've explained how to stop them, too.

How to Block App Downloads (This Also Disables In-app Purchases):

1. Open Google Play Store
2. Tap the profile icon in the top right
3. Tap settings
4. Scroll down to the Family section and tap Parental Controls
5. Toggle 'Parental controls on/off to 'Personal controls on/off'
6. Choose an PIN and tap OK
7. Confirm your PIN and tap OK (again)
8. Tap Apps & Games
9. Set the age limit you wish to set
10. Tap Save to apply your changes

How to Stop Auto-updates

1. Open Google Play Store
2. Tap the profile icon in the top right
3. Tap settings
4. Tap Auto-update apps
5. Select 'Don't auto-update apps' and then tap Done

Restricting Apps Through Google Family Link

1. Open Google Play Family Link for parents
2. Tap the three horizontal lines in the top left
3. Select your child's account
4. Tap Manage
5. Tap Controls on Google Play
6. Tap Apps & Games
7. Select the app that you wish to set

How to Set up PARENTAL CONTROLS For APPS iPhone

Apple devices come with built-in apps already available: Mail, Reminders and Safari, for example. However, you can choose which apps and features appear on your child's device and which ones don't. You can also reconfigure the features in Game Centre to enhance your child's safety and privacy when playing games, as well as blocking iTunes or App Store purchases if you wish.

How to Restrict Built-in Apps/Features

1. Open Settings
2. Tap Screen Time
3. Tap Content & Privacy Restrictions
4. Tap Allowed Apps (you may need to toggle this to 'on' at the top)
5. Enable or disable the apps you wish to restrict (or disapprove) on your child's device

How to Restrict Game Centre

1. Open Settings
2. Tap Screen Time
3. Tap Content & Privacy Restrictions
4. Tap Content Restrictions (you may need to toggle this to 'on' at the top in the 'on' position)
5. Scroll down to Game Centre
6. Choose between Allow, Don't Allow, or Allow with Friends

How to Restrict iTunes & App Store Purchases

1. Open Settings
2. Tap Screen Time
3. Tap Content & Privacy Restrictions
4. Tap iTunes & App Store Purchases
5. Select Allow or Don't Allow for each feature (you can also lock these settings with a password)

Year 4 are creating a storytelling cart in a workshop next week that will be included in the Hastings Storytelling Festival parade on Sunday 24th October. Anyone can join the parade

Pupil Parliament

The Pupil Parliament met this week for their second meeting. They discussed how to feel safe in the academy. The session was started with a fun ice-breaker activity!
