## Lemont High School Science Curriculum Flow Chart

## ADVANCED PLACEMENT/ HONORS ELECTIVES

AP Biology

AP Chemistry

AP Environmental Science

AP Physics I

AP Physics II

Advanced Science Research

Anatomy & Physiology Honors

## ENRICHMENT ELECTIVES

Big History

Biotechnology

Earth & Space Science

Field Ecology

Forensic Science

Physics

Zoology

Core courses Denotes courses that sophomores may take concurrently with the core courses listed above

- \* Physics or AP Physics I recommended; some colleges may accept alternative lab science courses for admission
- To move diagonally on the flow chart and enroll in an advanced level class, a student must earn a "B" or better in his/her most recent science course and secure a teacher recommendation
- All AP classes have the potential for students to earn college credit

For Graduation requirements, please consult the school's website - www.LHS210.net
