## DCS Updates and Calendar Reminders

Good evening DCS family,

As a reminder, there is no school for students tomorrow, Friday November 5. Also, there is no school on Thursday, November 11 in observance of Veterans Day, and no school Friday, November 12.  We want to take this opportunity to extend a sincere THANK YOU to the Veterans in our community.  This day, and every day, we are thankful for your service, and the sacrifice of you and your families. Davie County Schools actively celebrates in our schools, and instills the importance of honoring and thanking our Veterans. Schools will have various classroom activities around Veterans Day, and will also have community-facing tributes and events.  Please visit GoDavie.org and see a list of special events and celebrations at schools. This information can be found in the Featured News section of the district home page.

Speaking of being thankful, we have begun sharing a *Thankful Thursday* story on DCS Instagram, Facebook and Twitter.  Please be sure to follow us on these social media channels to hear the stories firsthand. Click on the icons below to access and follow us on these channels.

Lastly, we continue to add resources for families on our Safe and Secure page on GoDavie.org  There are direct links to the CDC, NCDHHS, and DCDHHS. DCDHHS is currently offering vaccines for community members ages 5 and up, should you be interested in learning more. And don't forget our COVID Dashboard, where you can keep up with weekly cases.  All these resources and more are available on the Safe and Secure page of GoDavie.org.

Thank you and have a wonderful evening!
