ACADEMIC SUPPORT

If your child is struggling or needs to work on improving their grades, please know that every teacher now has tutoring scheduled 2 or more times per week during Mini-NEST. Your child should be attending these sessions to get assistance, complete make-up work, and complete reassessments. Please visit the North Point website, click on "Students" to access tutoring schedules for all teachers.

Please strongly recommend that your child participate in these support opportunities. We ask that you work with your child to complete a personalized "Mini-NEST" schedule. A form to create the schedule is also available under the "Student" tab on the website. We also encourage discussion with your child each evening about how they utilized their "Mini-NEST" time. We want all students to make use of this valuable academic support.

THINGS TO KNOW ABOUT NORTH POINT HIGH SCHOOL

What if my student forgets an item - Students that have something dropped off for them will be called down at the end of the block to pick it up. This is to limit classroom interruptions.

What if my student forgets their lunch - School lunches are free. Parents can add money to their child's meal account online at www.mypaymentsplus.com for their student to purchase additional items. Parents may also drop off forgotten lunches in the main office.

Parents may drop off lunch for their child only.

Parents and/or students are not permitted to order food to be delivered to the school.

Deliveries will be turned away.

Picking up a student—Parents and guardians that are listed on their child's emergency card must show identification when picking up their student. Sometimes a situation occurs when someone other than the listed parent or guardian needs to pick up a student, written authorization should be given to the attendance secretary in the main office prior to picking up. This notification can be sent by email to iswann@ccboe.com or by written note. The parent/guardian will be called to confirm.

Listing an emergency contact does not allow the individual to pick up a student at any given time in a non-emergency situation without prior written authorization. Authorized individuals must show identification when picking up a student. We are always willing to assist as needed when an emergency occurs. Please remember, North Point is large campus. Always allow for plenty of time for your student to come to the main office when picking them up early.

Early dismissals - When an early dismissal is necessary, a parent must send written notice to the attendance secretary, iswann@ccboe.com, prior to 1st block. The notice must include the date and time, the student's first and last name and the reason for the early dismissal. The parent/guardian will be called to confirm the early dismissal request. If the early dismissal is for a doctor's appointment, a doctor's note should also be provided to the attendance secretary upon return to school.

Student drivers and early dismissals - If a student driver has an early dismissal, the parent/guardian must send written notice and authorization for the student to leave school. The attendance secretary, iswann@ccboe.com, should receive this authorization prior to 1st block. The authorization notice must include the date and time, the student's first and last name and the reason for the early dismissal. The parent/guardian will be called to confirm the early dismissal. The student will be given a pass to leave class, and will sign out with the attendance secretary in the main office. If the early dismissal is for a doctor's appointment, a doctor's note should also be provided to the attendance secretary upon return to school.

Late arrival - Students arriving late should enter through the main office and sign in. **Parents and guardians do not need to escort students into school to sign in.** Students should come in with a written excuse note. We understand that circumstances do sometimes occur that cause students to arrive late, however administration does monitor student tardiness and we will address students who are frequently late to school.
