## PRINCIPAL'S MESSAGE

Since Monday, we have operated NEST, our one-hour lunch. Staff and students have done a fabulous job of managing NEST expectations. Unfortunately, we are not able to efficiently serve lunch to our 1800+ students under the current circumstances.

Several factors contribute to this including, COVID safety procedures, an increase demand for school lunches, and cafeteria staffing shortages. We are disappointed, but at this time we will return to four shift lunches. Please know that administration continues to work with staff and students to find solutions to these issues.

When administration is confident that we can effectively navigate these issues, we will once again implement NEST. We want to emphasize that this decision is not a reflection of students' actions. We simply want to ensure that all of our students have access to lunch in a healthy, timely, and efficient manner. We will notify our North Point family when we are able to implement NEST.

---
