MSDA School Uniform Pants Options

2021-2022

General Guidelines

- These slides include options for MSDA Uniform Pants.
 - **Wearing pants is an OPTION, not a requirement.**
 - Pants may be worn year-round.
 - Grades 9, 10, & 11 may select **navy**; seniors may select a **khaki** option.
 - Uniform Pants will be straight leg style (flare, bootcut, and capri styles not allowed).
- Selection:
 - This is a more flexible system than usual. Given pandemic-related production and supply shortages affecting retail/uniform companies, we are offering options rather than one specific pant. We will evaluate the success of the system over the course of the upcoming marking period.
 - Sizes, prices, and availability cannot be guaranteed; some options may be more readily available in stores than online.
 - If you see another option through a different retailer or have other questions, students should speak directly with Ms. Hollenbaugh.
- Note that the administration reserves the right to require students to wear their skirts at events for which uniformity is desired. (Technically, having options is not “uniform.”)
- The Administration reserves the right to adjust the dress code policy, if needed, with continued input from students.
