Amity Regional School District No. 5

Facilities Department Monthly Report

Completed Projects:

- The air handler/guidance office fit-out project was completed.
- The cooling tower piping at ARHS was completed.

Projects in process:

- The ARHS Track and Field project is close to completion; there are a few punch list items to be addressed.
- Reviewing the District's storage needs and options for the modular building at AMSB.
- Roof restoration and repair at ARHS is wrapping up. There was a delay in materials for the capstones; but all roof work was completed.
- The acoustic panel project bid was awarded and is in the scheduling process.
- Security fencing is being installed along the road at AMSB.
- PM maintenance on the boiler plant is scheduled for all three schools.
- Snow removal equipment is being serviced for the upcoming season.

Outstanding issues to be addressed:
