POLICY GUIDELINES

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)

The Family Educational Rights and Privacy Act (FERPA) is a Federal law that governs the maintenance and release of student records. Under this law, parents of students or students (if they are at least 18 years of age) have both the right to inspect records kept by the school about the student and the right to correct the inaccuracies in the records.

Federal law requires that Dare County Schools, with certain exceptions, obtain written consent prior to the disclosure of personally identifiable information from any student's education records. Student records will be released promptly when a student transfers to another school and in other circumstances specifically required or permitted by law. Federal laws require local education agencies that receive assistance under the Elementary and Secondary Education Act of 1965 (ESEA) to provide military recruiters, upon request, with three directory information categories – names, addresses and telephone listings - unless parents have advised the school system that they do not want their student's information disclosed without their prior written consent. In addition, Dare County Schools may make public appropriately designated “directory information” without written consent, unless a parent, guardian or student (age 18 or older) notifies school officials in writing of objection to the disclosure.

If you do not want Dare County Schools to disclose directory information from your child’s education records without your prior written consent, you must notify school officials in writing. In School Board Policy 4700c, Dare County Schools has designated certain information as directory information (See DCS code of student conduct and annual parental notification for details).

Parents also have the right to withhold consent for their child to participate in certain curricular, counseling and information-gathering activities that are detailed in School Board Policy 4002.

Copies of all policies may be found in the office of the Superintendent, on the school system's website, and in the Principal’s office of each school within the Dare County School system.

STUDENT ENROLLMENT/DOMICILE LAW

Ordinarily the domicile of an unemancipated minor is that of his /her parents. THE CHILD CANNOT INDEPENDENTLY CHANGE HIS DOMICILE. If the parents are deceased, the child takes the domicile of his/her natural guardians such as grandparents or his or her court appointed guardian. A student is able to establish his or her own domicile if he or she is at least eighteen years old, is married, or is a sixteen or seventeen year old who has been emancipated by court order.

Following are the exceptions to the Domicile Requirement: Children who live in a group home, foster home or with a legal custodian. A legal custodian is defined as a person or agency that has been awarded legal custody of the child by a court. The term usually is applied when a social service agency has been granted custody. If there are any questions, check with your guidance counselor.

POLICY OF NON-DISCRIMINATION

Dare County Public Schools does not discriminate on the basis of handicapping condition, sex, age, color, religion, national origin or race in admission, treatment or employment in its program and activities.

VISITORS

All visitors must be identified through the outside monitor and allowed to enter after the doors are unlocked via the remote security system. Visitors must then report to the main office and sign in immediately upon arrival. The administration must approve all visits to the school during regular school hours. All visitors must be on official school business. Any unauthorized visits to the campus may be viewed as trespassing. **Students are not allowed to bring guests with them for the school day.** Students are **NOT** allowed to bring infants or babysit small children while at school.

ATTENDANCE PROCEDURES

ABSENCES—LAWFUL

The following categories are considered "lawful" absences by the State Board of Education and only these will be considered excused upon written notification within 3 days:

- **Illness or Injury**
- **Quarantine**
- **Death in the Immediate Family** (parents, grandparents, brothers, sisters)
- **Medical or Dental Appointments**
- **Court or Administrative Proceedings**
- **Religious Observance**
- **Educational Opportunity** - Approval for such an absence must be granted by the principal five days in advance of the absence.
- **College Days** - Juniors and Seniors are allowed to take two college days per school year. Approval must be granted prior to the absence. If these procedures are followed, this will not count as an absence from school.

ABSENCES—Written Excuses

In the event of any absence, all students are required to present a note explaining the absence. All absences are considered "unexcused" until the note is presented. These procedures should be followed:

1. A note from a parent/guardian, physician or dentist, or other professional person as to why the absence should be considered "excused." The note must contain:
 - The printed legal name of the student

- The reason for the absence
 - The date of the absence and the date the note was written
 - The class period(s) the student was absent
 - The phone number where of the person signing the note can be reached for verification
2. Students have **3 days** after their return to school to submit written excuses. Students are to turn in notes to the main office personnel before school. Upon receipt of the note in the Attendance Office and when the written justification is considered a lawful absence, the Data Manager will update the student's attendance record reflecting the absence as excused.
 3. Parents and teachers are encouraged to verify attendance in Powerschool by contacting the Attendance Office. Any discrepancy in attendance records that are noted by parents, teachers, or students should be immediately addressed to the Attendance Office. Any requested changes should be documented in writing for inclusion in the student's attendance folder.
 4. If the parent/guardian is going to be out of town, he/she should provide the main office emergency contact and temporary guardianship information in case of an emergency.
 5. If you intend to pick your student up from school during the school day, you need to provide a note which your student must bring to the office at the beginning of the school day. Your student will then be given an "early dismissal" note allowing him/her to leave the classroom at the appointed time.

EXCESSIVE ABSENCES — Board of Education Policy 4400-R

Students must attend at least two-thirds (2/3) of class to be counted as present in that class.

Any student who misses more than five (5) days for any reason in any class has exceeded the Dare County attendance regulation requirements. These students are subject to suspension of privileged activities (e.g., extra curricular activities, parking, attendance at prom, graduation ceremony, etc.) until such time as work is completed to the teacher's and Principal's satisfaction.

LATE ARRIVALS

Students arriving after 8:45 should report directly to the main office. Consequences will begin after the third tardy. Excessive tardies will result in further disciplinary action which could include loss of school privileges.

EARLY DISMISSALS

Approved early dismissals for students require a parent/guardian note. Students must bring the note to the office at the beginning of the school day. Students will then be given an "early dismissal" note allowing them to leave the classroom at the appointed time. Please include a valid telephone number where the school can reach the parent/guardian who is making the early dismissal request. **Before any student leaves the building, whether or not escorted by a parent, he/she must sign out in the main office.**

TRANSPORTATION

BUSES AND TRANSPORTATION

Riding the school bus is a privilege, not a right, for students in North Carolina public schools. School bus policies and rules are strictly enforced. *The suspension of bus transportation privileges does not permit, nor provide an excuse for the absence of a student from school.*

Students shall observe the directives of the bus driver at all times while riding a school bus or other school vehicle. Failure to do so will subject the student to loss of school bus privileges. The following conduct is specifically prohibited and may result in temporary or permanent suspension from school transportation services and/or school:

- Delaying the bus schedule.
- Fighting, smoking, using profanity, or refusing to obey the driver's instructions.
- Tampering with or purposely damaging the school vehicle.
- Possession or use of unauthorized drugs or intoxicating beverages on a school vehicle as outlined in Board Policy.
- Getting off at an unauthorized stop.
- Distracting the driver's attention by participating in disruptive behavior while on the bus, boarding the bus, or exiting the bus.
- Failing to observe established safety rules and regulations.
- Purposely trespassing upon another bus without permission.
- Violating any other rule of the Code of Student Conduct while on the school bus or other school vehicle.

Students may ride only the bus assigned by the transportation department. A student can only be assigned to one school bus. Students cannot ride one bus in the morning and another in the afternoon on a permanent basis unless it is a planned route by the Transportation Department of the Dare County Schools.

PARKING

Students will park in the properly assigned areas of the student parking lot and will not be allowed to loiter in or around cars at any time. Students must enter the building when requested to do so by an adult. **(Students may go to the parking lot during the school day only if they have a note from a teacher indicating that the reason is to retrieve items from their car for academic purposes.)** Parking permits are to be purchased by all students who park on campus. A permit may be purchased for \$25.00. Parking permits will be issued to Seniors first and then Juniors. Sophomores will be issued permits on a space available basis. **Students must have a Drug Testing Consent Form on file in order to purchase a parking permit.**

Permits will be hanging tags attached to rear view mirrors. It will be the student's responsibility to transfer the tag to his/her temporary vehicle if for some reason he/she cannot drive the vehicle to which the tag was originally assigned. **Students will be held responsible for any vehicle in which their parking permit is located.**

Students who park vehicles on campus without a permit may be subject to school discipline, a violation sticker, or towing at the expense of the owner of the vehicle. Students must park in

designated parking spaces only. Vehicles that are parked in unauthorized areas may be subject to school discipline, a violation sticker, or towing at the expense of the owner of the vehicle.

Driving is a privilege and the same safe driving rules that apply to the highway apply to the parking lot. Careless and reckless driving or exceeding safe speed will lead to revocation of driving privileges on campus and may result in a citation.

Students are permitted to park on school premises as a matter of privilege, not a right. The school retains authority to patrol student parking lots at any time, without notice or consent. The interior of a student's motor vehicle parked on the school premises may be searched if a school official has reasonable suspicion to believe that illegal, unauthorized or contraband items are contained inside. The school is not responsible for damages to or theft of vehicles or property therein while parked on school grounds. **Students with excessive tardies or other behavior issues may lose parking privileges.**

Students who take other students off campus during the school day may lose their parking privileges.

ACADEMICS

HONOR POLICY

Academic integrity is the ethical code of education. Students should avoid cheating and plagiarism to maintain a high academic standard.

Cheating: Copying from another student or from another student's work that is to be graded. A student may not use materials during a test or assignment which are not authorized by the teacher giving the test. A student may not collaborate with another student during a test or assignment without the permission of the teacher. A student may not knowingly use, buy, sell, steal, transport, or solicit, in whole or part, the contents of a test or assignment. A student may not bribe another person to obtain a test or assignment that is to be administered or secure copies of the test or answers to the test in advance of the test.

Plagiarism is the use of another person's work for credit without the required citation and credit (For example: copying written work from the Internet, or any other source).

Cases of confirmed cheating violations are cumulative and will have the following consequences throughout the student's high school career:

- 1st offense ... student receives a zero and teacher will provide an alternative assignment; teacher will notify parent; teacher will write a referral in Educator's Handbook
- 2nd offense ... students receives a zero; teacher will notify parent; teacher will write a referral in Educator's Handbook; administration will notify National Honor Society; student consequences will begin with one day of ISS

- For additional information, please see Rule 8 in the Dare County Schools Code of Student Conduct.
