

2021-2022 Reflections Arts Competition

For more than 50 years, the National PTA's Reflections program has given students in pre-K through Grade 12 the opportunity to create and submit original works of art in various categories and to compete on the School, District, State and National levels. These categories are:

- * Dance Choreography
- * Literature
- * Photography
- * Film Production
- * Music Composition
- * Visual Arts (2D and 3D)

Students may enter in one or more categories.

This year's theme is "I Will Change the World By. . ." – all entries should be inspired by that theme, and judging will be based in part on the relationship between the theme and the work of art. GHCHS students will first compete against other GHCHS students to advance to the 31st District PTA level. Winners there will advance to the California State PTA level, and winners there will advance to the National PTA competition. Top entries in each category at the School, State and National level will win prizes!

Entries are due by November 23, 2021, at 3:45 pm. Submissions are due to Ms. Sheridan in the Activities Office.

Please be sure to follow **ALL** of the rules, because failure to comply could result in disqualification. In addition to [the general rules found here](#), there are additional specific rules for each category. Please be sure to check (and comply with) the rules for the category you are entering, located here: <https://capta.org/resource/participant-forms/> Please note that **for Visual Arts and Photography, you must submit a digital image IN ADDITION TO the original work.** And please **be sure to submit your completed, SIGNED, Entry Form, in both hard copy and electronic format, with your entry.**
