

DP Morris Color Run

November 19, 2021

2:00pm

Color Run is coming soon! This will be an untimed fun run. Students will be doused in color along the way. The color is a non-toxic powdered mixture. Students will start the run wearing a pure white shirt and end up tie-dyed at the finish. This will be a fun non-competitive event.

Parents are welcome to come watch the fun, however, we would love for parents to participate in the fun. This year we will have a **parents only run**. After all of the students have completed the color run, parents will be able to run.

There is a **\$5.00** entry fee **per student** to participate in the Color Run. If a student pays to participate, their parent can run for **FREE**. Proceeds will go towards technology, student incentives, field trips, classroom supplies, PE supplies.

Students who wish to participate must return the permission form and money to Coach Eason by Thursday, November 18th. Parents, you may use one form if you have multiple students.

Thank you for supporting this fun event!
Coach Eason

My child(ren) has/have permission to participate in the DP Morris Color Run. I understand that my child should wear a white t-shirt for the Color Run. I also understand that the powdered dye may or may not wash out of the t-shirt. I attest that my child(ren) is/are physically able to walk/run this event.
