Sports Highlight

Senior, Isabella Hanks

What position do you mostly play in volleyball and what is your job?

I play outside hitter for Puckett High School. My job is to play defense, make good passes to our setter, and score points by getting kills.

Why do you think volleyball is a great sport?

I think volleyball is a great sport because it is very exciting and fun! Volleyball can get very intense in close games and scoring an important point or getting a kill is always thrilling for the entire team.

What do you think is an important trait you have that makes you a great player for Puckett?

I think something that I bring to the team is my knowledge of the game, encouragement, and hype.

What is advice you could give for our younger athletes at Puckett Elementary?

My advice to younger athletes is to never give up if you really love something. Always give 110% and never waste a day so that you can achieve your goal whatever it may be!

PTO News

Our PTO raised \$20,000 with the Cash for the Pack Fundraiser! Movie on the Mound-Thank yall for coming to that. It was an awesome night for all!

Important Dates:

Nov 2nd - PJ Day if you earned the PTO prize

Nov 5th - Breakfast with Fang if you earned the PTO prize

WHO'S WHO? STAFF

This month we decided to focus on our new custodian, Mr. Robert Pope.

Why did you decide to work at Puckett Elementary?

I want to work here because I am good at being a custodian. It was what my Dad did, and I am following in his footsteps. It's also closer to my home.

Do you enjoy your job? Why?

Yes, ALL teachers and faculty are very nice. I break my back to help anybody who asks for my help because it's the Christian thing to do.

What are you most proud of?

My family, my coworkers, my job, my friends. I'm especially proud of my parents, being a good Christian, and doing the best job I can.

Do you think you would change what you do at the school? Why?

Well not really. I wish there was a day where custodians at school would get a day just like teachers, secretaries, and principals because quite honestly custodians don't always get the credit or praise they deserve.

Important Dates

November 2nd: Cash for the Pack and Bullying poster are due

November 5th: Cash for the pack breakfast with Fang

November 11th: Progress Reports, Veterans Day, and Kindness Day

November 12th: Battle Zone Wrestling (more information coming)

November 19th: Mrs. Bishoff's Venture Field Trip to Infinity Space Center

November 22nd -26th: Fall Break

November 25th: Thanksgiving Day

SPOTLIGHT WRITER

OPINION PIECE BY EDDIE PARKER

Eddie Parker is a 6th grader at our school. He loves playing sports and video games and hunting. Here are some gaming tips from Eddie himself.

-A good game to play is Madden 21. The best way for you to win is to get the best team. I think the best team is the Kansas City Chiefs. The reason I think they're the best is because they have the best  quarterback, Patrick Mahomes II.

- Another good game is 2k21.

A good way to win in that game is to get the Lakers and always  dunk or shoot threes.

- If you get online you also have to play with your friends because a lot of strangers play that game and they use bad words or they will hack your profile. That in my opinion is good games, good teams, and good tips for kids.

By: Eddie Parker

JOKES

Why do some people eat snails?

They must not like fast food.

Why is Cinderella bad at sports?

Because she runs away from the ball!

What did the toilet say to the other toilet?

You look a bit flushed.

CLASSROOM NEWS

THIS MONTH WE DECIDED TO INTERVIEW MRS. MORROW IN FIRST GRADE.

WHAT WILL YOU BE LEARNING ABOUT IN NOVEMBER?

Our class will continue our study of nonfiction books. We will examine each text feature and determine what and how that specific feature helps us learn about a topic.

WHAT IS YOUR FAVORITE THING TO TEACH IN FIRST GRADE?

My favorite thing to teach is our Unit on Bats. We spend the week studying bats using Nonfiction books and text features. At the end of the week, we combine all of our gained knowledge and participate in different Bat centers such as an echolocation game, night vision reading, and many more exciting activities.

SPOTLIGHT WRITER-FICTION PIECE BY ZIA FLETCHER

There was a castle that had five Halloween queens. The queens' names were Ghostelle the Ghost, Vero the Vampire, Winday the Witch, Zoelle the Zombie, and Bri the Bride. The five queens owned a kingdom that only had creatures like zombies, ghosts, witches, and more. Vero loved to go shopping, and everyday she would come back with fashionable clothes. Ghostelle loved helping people, but mostly kids. Winday loved to make potions, of course she is a witch, but she uses them in helpful ways. Zoelle loved to do people's hair and nails. And lastly it's Bri, and she is a model. One day on Halloween -BOOM- danger struck in their kingdom. All the queens worked to go against the enemies. The enemies are skeletons that are going against the creatures and the kingdom, and the skeletons do not like the queens. They had been trying for 100 years to defeat the Queens and destroy the kingdom. The skeletons began to fight the Queens. Winday made potions to defeat the skeletons. Ghostelle would help heal the other Queens and fight back. Vero threw her heels at the skeletons, and her aim was as perfect as her shopping skills. Zoelle collected flat irons and hair curlers to throw at the skeletons. Bri was a good distraction but had an amazing power that when the skeletons tried to hurt her only they would be hurt. The five queens saved their kingdom and soon named the kingdom "The Kingdom of Creatures and Halloween." The kingdom was Freedom, Faith and Harmony. Till this day the skeletons realized that they should stop trying to defeat the queens and get rid of the kingdom. The queens lived a good life and they used their powers as a way to help people who helped them in return.

November Of the Month Club

Teacher of the Month: **Mrs. Morrow**

Staff of the Month: **Ms. Hammons**

Pre-k: **Austin Wigginton**

Kindergarten **Emma Jaymes Smith** and **Callie Lauderdale**

First grade **Hadley Hughes** and **Clara Kate Reed**

Second grade **Lane Lawson** and **Finley Grimes**
