Superintendent's Report

Superintendent Farr noted a correction to the September 27, 2021 Board Meeting Minutes under Contract Substitute Teachers; Sarina Karito will be at the Academy. Also, Kellie Springer will be removed from the Consensus Agenda as she has declined the position.

Superintendent Farr provided an update on COVID19 pool and diagnostic testing. This is still a work in progress, but staff will begin pool testing the week of October 25. The district has over 800 employees, with 90 of them requiring weekly testing.

Superintendent Farr briefly talked about the organized walkout students participated in at the Academy to bring attention to mental health and suicide prevention after the loss of one of our students.

Superintendent Farr read the following in recognition of Board Appreciation Week.

"Please Fill Your Cup"

Oftentimes, as Board of Education members with a focus on service to others, your minds are on... others. For the few who feel compelled and drawn to run for a board seat, knowing how challenging it can be and how much work it actually is, we know it takes a special kind of person.

You are always thinking about our students, our staff, and our families, wondering how they are doing and how we can better fulfill their needs and simultaneously, ensure that we are providing them with nothing less than an exceptional experience...or at least, operating with this notion as our aspirational measuring stick.

You give and you give and you give. You give of yourself. You sacrifice your personal needs. You sacrifice privacy, anonymity, and the ability to detach. You own our successes and our failures. You ache in our heartbreak and relish in our victories.

What is the reward for this emotional rollercoaster? We certainly know it isn't your stipend which you receive for board service...which...to be clear...is zero dollars. Rather, your reward is knowing that you are quite literally impacting the lives of a generation of wonderful young people while also supporting an educational staff who care deeply about students. This is not an easy task and we know that sometimes we get it right and sometimes we don't but for those of us who have the honor of knowing and working with each of you, we are 100% positive that it is your desire to always create a community where people want to be. Where people feel welcomed, included and loved. A place where all people can grow, become, do. A place for authentic belonging.

So, while you continually focus on filling the cup of so many others, we ask you to remember to always fill your own cup as well. Whether it is finding a quiet place to read, taking a walk, visiting with a friend, spending time with your family, sitting at the lake and enjoying your beautiful surroundings, attending a concert, or even caring for and playing with your dog...or dogs for some of you, please find opportunities to fill your own cup. We care about you as much as you care about us and we want to ensure you are well taken care of also. From the bottom of our hearts, on behalf of Debbie and myself and our entire leadership team, thank you for all you do and please, enjoy this small token of our appreciation.

The Board was also gifted small tokens from the Canandaigua Teachers' Association and The Administrative Team.

Board Student Representative

Nate Teerlinck commented on the devastating news the school and students received late last week of the loss of a fellow classmate. She will forever be in the hearts of all. Earlier in the day students conducted an organized walkout at the Academy to bring attention to mental health and suicide prevention. After, students met with Mrs. Logue, Academy Principal; Mr. Schrage, Assistant Superintendent for Instruction; and Superintendent Farr to discuss actions moving forward. Students want to be involved in helping to remove the stigma of mental health illness.
