

Gilroy Unified School District

ALTERNATIVE EDUCATIONAL PROGRAMS

High School Diploma Program

Gilroy Adult Ed. Diploma program works with persons of any age (over 17) at any level to complete their Standard Diploma. Working with Cyber High allow students the flexibility to work at their own pace. Students can do their work from home or any environment which best suits their needs.

NORMS & EXPECTATIONS

- Please be sure to provide a current phone number and email, or any changes, for communication. If you do not have an email address, we can help you obtain one.
- If you are not directly coming from Gilroy Unified School District, we will need a copy of your academic transcripts and a picture I.D.
- Instructors are here to help you. Students need to speak with an instructor to plan out the best schedule to help meet your end goal.
- Online Cyber High or Edmentum activity attendance is needed regular basis. You will be dropped from the program after 30 days of non-participation.
- Cyber High can also be used for communications to let the instructor know of any issues or problems you may have in course studies.
- Proof of enrollment verification letters are provided “only after” completion of 60 hours of work assignments, thereafter attendance verification is provided only for current activity.
- Diplomas are presented to students, completing the standard required credits, during graduation ceremony at the end of each school year.
