Dear Parent/Carer,

Explorer Dome Science Shows – ‘Cells’, Wednesday 19th and Thursday 20th January 2022

To support the Key Stage 3 Biology curriculum, we have arranged for the Explorer Dome Company to come to Southam College to deliver their ‘Cells’ shows to all year 7 students. The shows will be delivered inside an inflatable dome at school and last approximately 50 minutes each. Please be aware that students enter the dome via a crawl tunnel, so may feel more comfortable wearing school trousers for this event and presentations may include flashing lights or loud noises. This memorable experience will help students to develop their understanding of this key topic which forms the foundations of all future learning in Biology.

We are asking for a contribution of **£3.50** for each student watching the show. However, if your child is eligible for pupil premium funding they will be able to access this event at no additional cost as this will be covered by the school.

If you would like your child to be able to watch this show, please complete the reply slip overleaf and return it to the College by **Tuesday 30th November 2021**. Parent Pay is our preferred method of payment. If you require a login, or have a query or issue paying via this system, please contact the finance team on 01926 812560.

Please see below a schedule for these memorable days for your convenience.
