Dr. Toni Jones
Superintendent of Schools

November 4, 2021

To the Board of Education and Members of the Greenwich Community

2022-2023 Operating Budget

The Superintendent's Board of Education's proposed 2022-2023 Operating Budget of \$176,403,242 which represents a year to year increase of \$4,560,645 or 2.65% over the approved 2021-2022 budget (which includes the \$1,996,000 of technology funding shifted from capital to operating by the BET) and meets the guideline established by the Board of Estimate and Taxation (BET). Salaries are expected to increase by \$3,051,281 and is driven primarily by collective bargaining unit agreements.

This budget continues to focus on finding efficiencies, while providing the necessary materials, resources, and staffing to continue moving forward as an excellent system.

Budget Considerations for the FY23 Budget

Budget Drivers

The increase to the FY23 Budget is driven primarily by the following areas:

1. Salary Increases as mentioned above - \$3,051,281

2. Summer School 2021 was fully funded by utilizing the RRR (Restrictive Recurring Revenue) account in an effort to minimize the overall budget request for 2021-2022. However, given that COVID impacted the number of students seeking summer school secondary courses, the amount of revenue generated by tuition was lower than anticipated. As a result, the operating fund will need to partially fund Summer School 2022 in the amount of \$300,000. Summer School for PK-5 has been adjusted to reduce operating cost but GPS to consider a few non-COVID Summer Schools before a trend can be determined.
3. The bus contract is up for renewal and a Request for Proposals (RFP) has been issued. The budget request reflects a placeholder amount until the RFP process concludes in mid to late November.
4. Utilities are anticipated to increase 2% per BET guidelines. Although GPS has initiated eight LED Lighting upgrades that are expected to generate a small positive cash flow in our electric bill, time is needed to confirm the projected net energy savings. In addition, it is not known what electric rates will do in 2022-2023.

Special Education Tuition

GPS has continued to pay close attention to Special Education Out of District Tuition and Settlements. These two items are difficult to project as they are driven by ever changing student needs. For the FY23 Budget, this line item has increased by a net of \$500,000. The increase is driven by new student placements and off-set by those students who are not returning to the District or graduating.

Budget Efficiencies

GPS has worked hard to run as efficiently as possible, making reductions in areas in order to optimize funding for the classroom. This is the third budget in a row where efficiencies are assumed in the budget in order to provide what the District needs and keeping the request to a reasonable level.

Over the past two years GPS has found efficiencies in the following areas:

1. Elimination of an Administrative Coordinator Position (\$172,927)
2. Elimination of the Assistant Administrative Human Resources Position (\$172,928)
3. Movement of five Havemeyer coaching positions to directly work as math interventionist for the schools (\$657,124 cost avoidance)
4. Movement of one coaching position to assist EMS administration as an Assistant Dean of Students due to high student enrollment
5. Elimination of the Administrative Assistant to the Deputy Superintendent (\$89,313)

6. Elimination of the Assistant Food Services Director (\$75,145)
7. Elimination of four bus routes (\$320,000 to-date)
8. Adjustment to the Preschool ratio (\$516,000 to-date)
9. Adjustment to Summer School operations (\$200,000)
10. Elimination of five K-5 classroom sections in this proposed budget (\$600,000)

Environmental and Sustainability Focus for Efficiencies

Eversource Lighting Projects

Over the past two years, GPS has partnered with Eversource to participate in their LED Upgrade Incentive Program across the District. Of the eight schools that are participating, five schools have been completed, two will be completed by the end of 2021, and the remaining school is estimated to complete by the Spring of 2022.

- Parkway 2020
- North Street 2021
- ISD 2021
- Cos Cob 2021
- WMS 2021
- EMS 2021
- GHS 2021
- CMS 2022

As a result of the District's participation in the program, the Capital Budget for lighting is being reduced by more than \$3,000,000. In addition, almost \$700,000 will be realized in annual savings after the 48 month installment is complete for each project.

Electric Buses

The District recently issued a Request For Price (RFP) for transportation for the year starting July 1, 2022. The RFP included a request for a daily rate for a potential partial phase-in of 10 electric buses. While the cost will need to be analyzed in terms of return on investment, the District is carefully evaluating the option along with the potential for Federal and other grant opportunities.

Dishwashers

The District has built in \$35,000 in the capital to design a dishwasher area at GHS so that the largest school population can move away from disposables in the near future. An initial preliminary review of the site indicated that the project will be much larger than anticipated. The District will need a design for the upgrade in electric, connection to the water, and perhaps minor construction to relocate some spaces.

After moving food across the District via bus service for the past 18 months, the District knows that long-term sustainability is not possible to move dishware to one central location. GPS will start with GHS and continue to work through the buildings as renovations are done over the next few years.

Preschool

GPS had 14 sections of preschool during the spring of 2019. By changing the ratio, GPS has managed 13 sections for the FY21 and FY22 school years. Special needs preschool is expected to grow by an additional 22 students this spring. If GPS had not adjusted the ratio, the District would have required 19-20 sections. Preschool for children with special needs is required by federal law.

The FY20 budget was set with a 10:5 student ratio. The FY21 and FY22 ratio was set as 9:6 student ratio (Peer: Special Needs Student) and this will continue for FY23.

Every section requires one teacher and 2.7 paras at a cost of \$180,000.

An additional five sections would have an approximate cost of \$885,000. GPS is budgeted for 14 sections for the FY23 school year.

Special Education Study Recommendations

GPS recently completed a special education study from the Public Consulting Group (PCG). After studying the recommendations and listening to administration, Greenwich Education Association, and special education families, it was evident that the GPS needed more resources immediately.

GPS has found efficiencies to begin the implementation of all 28 of PCG's recommendations.

1. GPS implemented a mathematics co-teaching by adjusting staffing at GHS (no cost to the District).
2. GPS implemented literacy co-teaching by adjusting staffing at GHS (no cost to the District).
3. GPS balanced classrooms at GHS to reduce the number of students with a 504 or IEP for introductory courses (no cost to the District)
4. One recommendation was to enhance the Multi Tiered System of Support (MTSS), which is the intervention model utilized across PK-12. The District had identified this as a weakness in 2019-2020, and was already working to move in this direction.

In the Spring of 2020, six coaching positions were moved from Havemeyer to create five Math Interventionists for K-5. Moving these positions from Havemeyer to direct service of students filled a need with no additional cost to the District, and provided a part-time interventionist for each elementary school. Cost avoidance of \$657,124.

In the FY23 budget, GPS will deploy five full-time math interventionists for MTSS across all of the elementary schools which

will address one of the recommendations in the study. The cost for these positions will be fully offset by reducing five K-5 sections due to projected enrollment declines in some of the schools.

In addition, in order to add a specialized reading position for those students with significant reading challenges, the District is repurposing an existing 1.0 position from trainer to direct service with students. The training will be provided by outside consultants at a much more efficient cost, and a reading lab model can begin to be developed.

5.0 Full-time Equivalent Increases

There are five areas where FTE will increase, but the budget will stay within the BET guidelines due to other efficiencies which offset the overall cost. All five of these positions are in direct relation to the PCG Special Education Study.

1. Elementary school program for unique learners. This program will provide an in-district option for students in grades 3-5 who have significant disabilities which require the alternate assessment pathway. Currently, many of the students must be outplaced due to the lack of no programming in the district, as referenced by PCG. (1.0 Unique Program Teacher)
2. The District was cited as needing more support for students who are included in the general education environment but have distinct needs. (1.0 Inclusion Specialist Teacher)
3. GPS has limited co-teaching across the district, and in the FY23 budget there is an additional 3.0 Special Education teachers for elementary and secondary co-teaching.

2022-2023 Capital Budget

The Superintendent's FY23 Capital Budget proposes \$37,878,621

The Capital Budget reflects the needs of the district, and aligns with the Greenwich Public Schools Master Plan. In the Capital section of this budget book specific details are provided on each project.

Major Projects Proposed

\$9,600,000

Julian Curtiss Architectural, Engineering, and Design \$1,800,000

Old Greenwich Architectural, Engineering, and Design \$1,800,000

Cardinal Field Improvements Phase II (including soil) \$6,000,000

Annual Infrastructure and Facility Improvements Proposed

\$26,159,621

Technology
\$1,728,000

Food Service
\$51,000

Security
\$340,000

WMS Soil Remediation Project

While WMS soil remediation was not included in the total, the project is moving forward with DEEP and EPA, utilizing the existing funding source. The last meeting was on October 27, 2021. Once an approved timeline has been granted the project will be presented to the elected bodies to move swiftly. Another round of testing was requested in and around the property line area (beyond the field itself) and those results yielded more contaminated soil. The cost is currently estimated between \$15,000,000- \$20,000,000 due to the additional removal which will be required. The final plan and estimates are currently being prepared for submission to DEEP and EPA following the last round of testing samples.

Student Achievement

The past two years have brought many challenges to the classroom due to COVID-19. The Connecticut State Department of Education did not conduct testing in the Spring of 2020 when the state was fully remote. The testing conducted in the Spring of 2021 was unique for only that year. There were various categories and calculations according to the learning model utilized for individual students: remote full year, in-person full-year, partial remote and partial in-person. The results also vary district by district given the variance in how learning models were recorded, implemented, and how testing was conducted.

However, there are many celebrations and accolades for our students and staff:

- 11 Greenwich High School students have been recognized in the 2022 National Merit Scholarship Program as Program Semifinalists and 33 have been recognized as Commended Students.
- There were 31 Advanced Placement courses offered, 966 AP students, and 2,160 AP tests taken.
- GHS maintained excellence in scientific research under the direction of Andy Bramante, producing two finalists in the Regeneron Science Talent Search 2021, the nation's oldest and most prestigious science and math competition for high school seniors. Edgar Sosa was recognized for his project, "Metal Oxide Nanoparticle Suppression of Coffee Rust Using an Alternaria, Stomata-Sporulating Model Fungus" and Raina Jain was recognized for her project, "Control of Varroa destructor Infestation with a Dual-Function Thymol Emitting Honey Bee Hive Entranceway."
- Our music program was recognized by the National Association of Music as one of the Best Communities in the nation for music education with outstanding efforts by teachers, administrators, parents, students and community leaders who have made music education part of a well-rounded education.

- Eight GHS students won the 2021 Scholastic Art and Writing Award, recognized for their work in art, ceramics and glass, photography, mixed media, and film and animation.
- 256 members of Greenwich High School's Class of 2021 were inducted into the National Honor Society, an honor bestowed upon individuals for academic performance, leadership, service and character.

In conclusion, we ask that the Board of Education accept the proposed operating budget of \$176,403,242 which represents a 2.65% increase over the current year's budget and meets the guidelines established by the BET.

In regards to our proposed capital budget, it is imperative that GPS continue to move forward on critical projects in the master plan. The GPS Five Year Plan is based on essential needs, and projects have been greatly reduced in scope from the intended master plan to bring the costs down significantly. Please see the capital tab to find more information.

This budget is focused on our GPS mission of excellence, and supports our staff, students, and families who hold Greenwich Public Schools in the highest regard. GPS is at BET guidelines, and we are grateful for the approach in regards to consideration of fixed costs escalations such as salaries, utilities, tuition, and transportation. We look forward to sharing information with our Board of Education, elected officials, staff, and broader community.

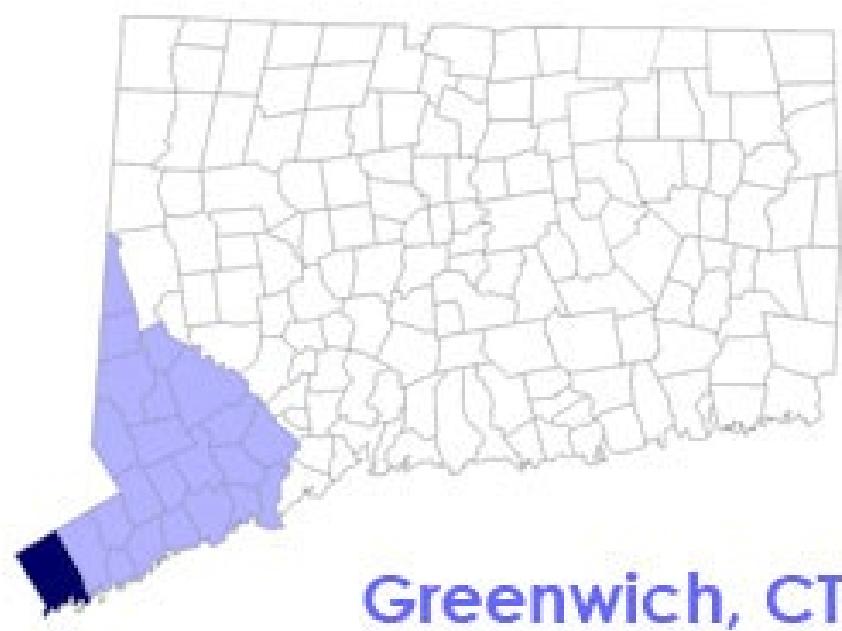

Sincerely,

Dr. Toni Jones
Superintendent
Greenwich Public Schools

Town of Greenwich, Connecticut

The Town of Greenwich is a residential community located in the southwestern corner of Fairfield County, Connecticut, adjacent to and west of the City of Stamford, Connecticut. The Town is also bounded by Long Island Sound on the south and New York State on the west and north. It is the nearest Connecticut town to New York City (28 miles) and is located on the main line of the Metro North Railroad. The Merritt Parkway (Route 15) and the New England Turnpike (Interstate Route 95) bring all Southern New England within easy driving distance. The Town encompasses 50.6 square miles and has a population of 62,418 as of the American Community Survey Estimate of 2017.

Governance and the Town Charter

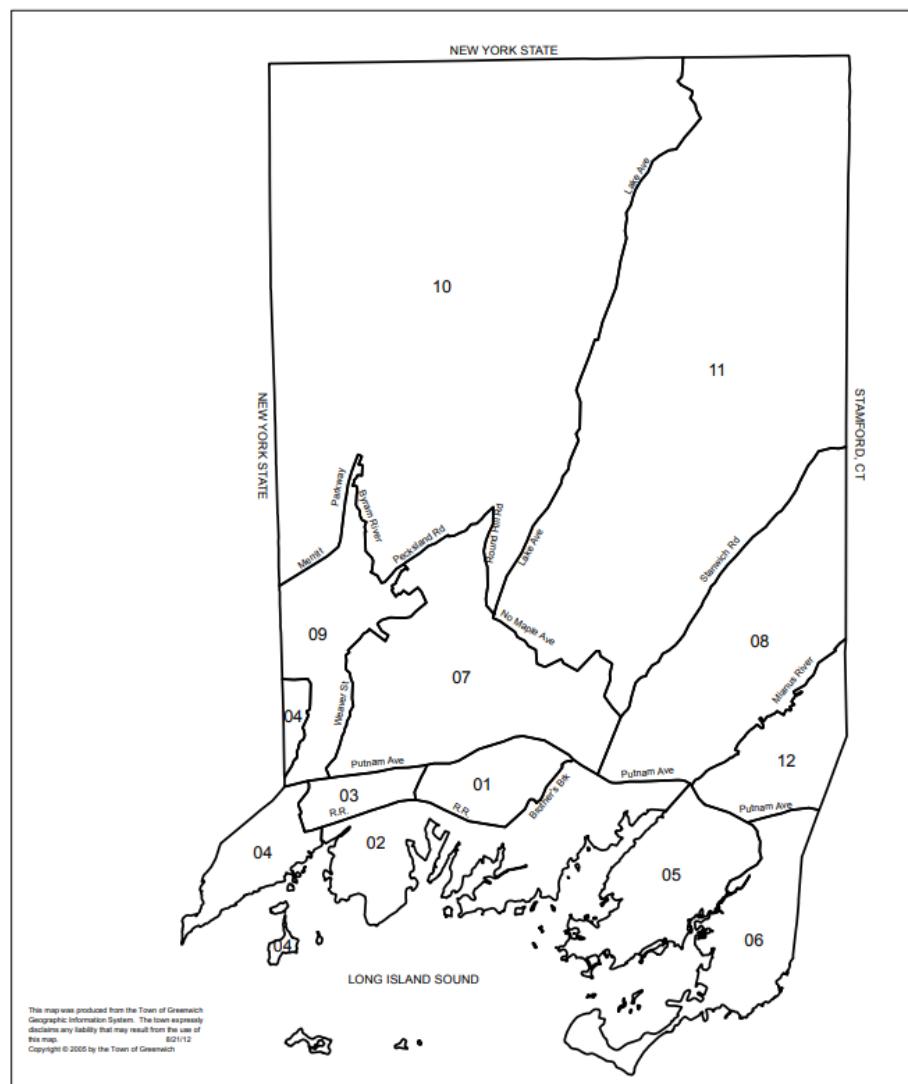

The Town of Greenwich was settled in July 1640 and is governed by the laws of the State of Connecticut and its own Charter. The Charter provides for a First Selectman, Board of Selectmen, Board of Estimate and Taxation (BET) and Representative Town Meeting (RTM) form of government. The RTM acts as the legislative unit while the BET is responsible for the proper administration of the financial affairs of the Town. There are 230 members of the RTM and 12 members of the BET. They are elected biennially by the voters, along with the First Selectman and Board of Selectmen. Today, the Town government can be characterized as a decentralized system of overlapping powers and responsibilities. It is also largely volunteer. Except for the First Selectman, Board of Selectmen and a few others (such as the members of the Board of Assessment Appeals), all members of the boards and commissions serve without pay.

The Town provides a full range of municipal services, including general administration, education, public safety, public works (building maintenance, highways, waste disposal, engineering), parks and recreation (parks, beaches, golf course, civic centers), health (clinics, laboratory, residential patient care), human services, planning and zoning and libraries.

The annual budget serves as the foundation for the Town's financial planning and control. All agencies of the Town are required to submit requests for appropriation to the BET Budget Committee, who, in turn, submit the recommended portion to the full BET. After public hearings, the budget is submitted to the RTM for approval in mid-May. The adopted budget is in effect on July 1st. The appropriated budget is prepared by fund, function (e.g., public safety) and department (e.g., police). The BET and RTM meet often to review subsequent appropriations (those under \$10,000 can be authorized by the BET; those over \$10,000 must also be approved by resolution of the RTM except for labor contracts which are approved for financing by the RTM). Department heads may request transfers of appropriations within a department. Transfers of appropriations within departments of more than \$10,000, however, require the special approval of the BET. Management can approve transfers of up to \$10,000 but cannot add to the budget.

Greenwich Public School District Schools

The Greenwich Public Schools consist of 11 neighborhood elementary schools (K-5), three middle schools (6-8), and one high school (9-12) with two offsite high school programs. Students are assigned to elementary and middle schools based on residential attendance areas. Four of the elementary schools and one middle school also serve as magnet schools, offering programmatic choice for families (Hamilton Avenue School, The International School at Dundee, Julian Curtiss School, New Lebanon School and Western Middle School). A tuition and lottery-based preschool program is also offered for residents and employees of the Town of Greenwich.

Budget Timeline

Financial Code Quick Guide

The Greenwich Public School's Chart of Accounts consists of the following components, each with its own code in the string of numbers: Fund, Department, Location, Program, and Object. The Chart of Accounts is used to access budgets and other information using Munis, the Town of Greenwich Financial Management, Human Resources and Payroll application. The following description of each level of the account number structure is necessary to properly code expenditures and to read and understand budgets.

Coding Sample:

Fund	Department	Location	Program	Object
A	620	17	10	53100
General Fund	Instruction	Havemeyer	Art	Teaching Supplies

Fund Codes:

- A General Fund
- B Capital Projects financed through borrowing
- E Grants (State, Federal, etc.)
- F Grant Fund
- S School Lunch Fund
- Z Capital Projects Fund

Function Codes:

600	Administration	670	Food Services Activity
620	Instruction	675	Student Activity/Interscholastic Sports
640	Operation of Plants	680	Board of Education Capital
650	Maintenance of Plants	700	Fixed Charges/Settlement of Claims
660	Pupil Transportation		

Program Codes:

02	AVID	60	School Psychology
10	Visual Arts	62	School Social Work
12	Business Education	64	Speech and Hearing
14	English Language Learners	66	Preschool
16	World Languages/FLES	67	K-5 Teachers Classroom
18	Health	68	Teaching and Learning (non-specific)
20	Family and Consumer Science	70	Curriculum, Instruction and Professional Learning
22	Technology Education	72	Board of Education
24	Language Arts	74	Superintendent
26	Reading/Literacy	76	Communications
28	Mathematics	80	Safety and Security
30	Music	82	IT/MIS
32	Physical Education	86	Accounting and Budgeting
34	Science	88	Supply Acquisition and Management
36	Social Studies	89	Maintenance of Plants
38	Advanced Learning Program	90	Transportation
40	Library Media Services	91	Printing and Graphic Arts
45	Theatre Arts	92	Facilities
46	Student Activities (Schedule C)	93	Human Resources
47	Intramural Sports (6-12)	94	Summer School (Tuition)
48	Athletics (6-12)	95	Continuing Education (Mandated)
49	Nursing	96	Continuing Education (Enrichment)
50	Guidance (6-12)	97	Food Services
53	Special Education	98	Facilities / Rental
55	Extended School Year	99	Private School
56	Windrose/Community Connections		

Object Codes:

Obj Code	Obj Code Description	Description
51010	Regular Salaries	Non-certified full time staff; no transfers allowed from District/Town lines.
51020	Regular Salaries-teachers/Cert	Certified educators (teachers, admin.);
51050	Leave coverage salaries (certified)	Payroll code only used by Human Resources
51060	Regular Wages - Teachers, Etc.	a) Professional learning stipends per GEA contract (participant - or - presenter if District employee b) Intramural/interscholastic coaches per GEA contract c) Schedule C per GEA contract for extracurricular assignments
51067	Regular Wages - Teachers - pd	Professional Learning expense
51070	Other salary expense	Longevity
51090	Standby time	Used only by Facilities for "on call" employees
51100	Payments For Overtime Services	Overtime for non-certified as authorized and approved
51170	Pay For Accum Vacation Leave	As required by collective bargaining agreement
51230	Pay For Accum Sick Leave	Per collective bargaining agreements
51240	Pay Accum Sick Leave Teach/Cert	Per collective bargaining agreements
52150	Injury Leave Gpp	
51270	Sabbatical Leave - Teachers, E	As required by collective bargaining agreement
51300	Temporary Salaries	Permanent or temporary part-time non-certified; primarily GMEA per annual approved list
51310	Payments For Temp Svc Teachers	Certified substitutes for sick, vacation, leave, professional learning coverage
51317	Payments For Temp Svc Teach-pd	Professional Learning expense
51360	Housing And Vehicle Allowances	Per collective bargaining agreements

51390	Temp. Services - Special Projects	a) Supplemental program staff (summer school, District sponsored after school programs, extended school year) b) Police overtime for school activities & events c) Town employees for approved 2nd job (non- certified) including but not limited to interscholastic athletic event staff, sports officials d) home instruction, e) curriculum development
51397	Payment Temp Svc Spec Proj-pd	Professional Learning expense
51400	Prof & Other Spec Serv- Attorney	Legal consulting services
51410	Prof & Other Svc- Audit/Acctng	Accounting/Auditing consulting services
51420	Prof Medical & Dental	Medical & Dental consulting services
51440	Prof Svcs- Consult/Research/ Survey	Research & survey consulting services
51450	Professional Svcs - Fees	Notary fees, arbitration costs, court costs, transcription fees
51460	Professional Svcs - Data/Word	Data & word processing consultants
51490	Prof & Other Spec Svcs- NOC	Professional services not otherwise classified (NOC)
51497	Prof & Other Spec Svcs-pd	Professional Learning expense
51600	Matching Funds - 401 (k) Plan	Per collective bargaining agreements
51970	Prior Year Expenditures	100 Series
51980	New Positions	
51990	Salary Adjustment Account	Used to account for salary savings
52010	Legal Advertising & Public Notices	Used almost exclusively by Purchasing, Facilities, Human Resources
52020	Printing And Binding Reports	Photocopying, printing, binding, etc. through print shop; outsource only w/approval
52050	Postage	Postage meter, stamps, stamped envelopes
52070	Tuition Payments - Public Schools	Non-special education out-placements
52080	Tuition Payments - Public Schools	Special education out-placements
52090	Tuition Payments For Town Employees	Workshop registration fees at school/program level; post-secondary tuition reimbursement through District Human Resources only

52097	Tuition Payments Employees-pd	Professional Learning expense
52100	Travel Expense - Employees	Out-of-town travel including transportation other than use of own vehicle (mileage), lodging, meals
52107	Travel Expense Employee-pd	Professional Learning expense
52110	Mileage Allowance - Employees	Reimbursement for use of own vehicle.
52117	Mileage Town Employee-pd	Professional Learning expense
52120	Transportation Of Pupils - Pub	Transportation contracted through District bus
		company only
52130	Transportation Of Other Non-emp	Field Trips
52140	Transportation Of Pupils - Emo	Special education services only
52150	Office Services	Various: professional memberships and journals, water cooler services, software annual subscriptions (World Book on-line, Parent Link), field trip registration/admission fees, periodicals.
52157	Office Services-pd	Professional Learning expense
52220	Sewage Svcs. - Town owned property	Facilities only
52210	Water Service	Facilities only
52220	Electric Service	Facilities only
52240	Telephone, Telegraph And Radio	Facilities only
52261	Fuel For Heating	Facilities
52262	Oil For Heating	Facilities
52310	Rental/ Lease Of Office Equipment	Photocopiers (District plan)
52320	Rental /Lease Of Other Equipment	Variety of limited uses (lease of postage meter)
52340	Rental Of Buildings And Other	Athletics, off-site programs (limited with approval only)
52350	Rental / Lease Data/Word Processing	Computer leasing
52360	Rental / Lease Maintenance Software	Software licensing (lease, rental, permanent) when district product hosted on external server (Data dashboard, K-12 IEP, etc.)
52500	Cleaning Services	Facilities; garbage pick-up contract

52520	Collection And Removal Of Recycling	District recycling contract
52950	Misc Svcs- Not Otherwise Class	Refreshments for meetings, workshops
52970	Prior Year Expenditure	200 series
53010	Office Supplies	Consumable Office Supplies
53011	Non-Capital Office Equipment	Small equipment/furniture for use in offices rather than classrooms which is expected to last more than a year; file cabinets, calculators, desks, chairs
53070	Data/Word Processing Supplies	Small items (some consumable) i.e., CDs, cables, computer software (includes actual media installed in computer)
53071	Non- Capital Data / WP Hardware	Non-capital (under \$10K) technology items expected to last more than a yr.; i.e., CD drives, printers, flash drives, etc. (CD drives, computers, printers, computers, monitors, etc.)
53100	Teaching Supplies	Consumable Classroom Supplies related to teaching & learning (paper, pencils, etc.)
53101	Classroom / Teaching Equipment	Non-capital (under \$10K) for classroom rather than office use (file cabinets, calculators, furniture, microscopes, etc.)
53110	Textbooks	Budgeted centrally
53120	Library Books	Library Media per pupil allocation by grade level
53140	Audio Visual Materials	Consumable supplies including film, projector bulbs, etc.
53141	Audio Visual Equipment	Non-capital (under \$10K) instructional equipment (projectors, CD players not attached to computers, cameras, etc.)
53200	Recreational, Athletic & Playground Supplies	Consumable Athletics Supplies for secondary interscholastic
53250	Medical, surgical & Laboratory	Special Education; Nursing
53251	Medical, surgical & Laboratory equipment	Non-capital (under \$10K) medical equipment/furniture (examination tables, scales, autoclaves, lockable medicine cabinets, etc.)

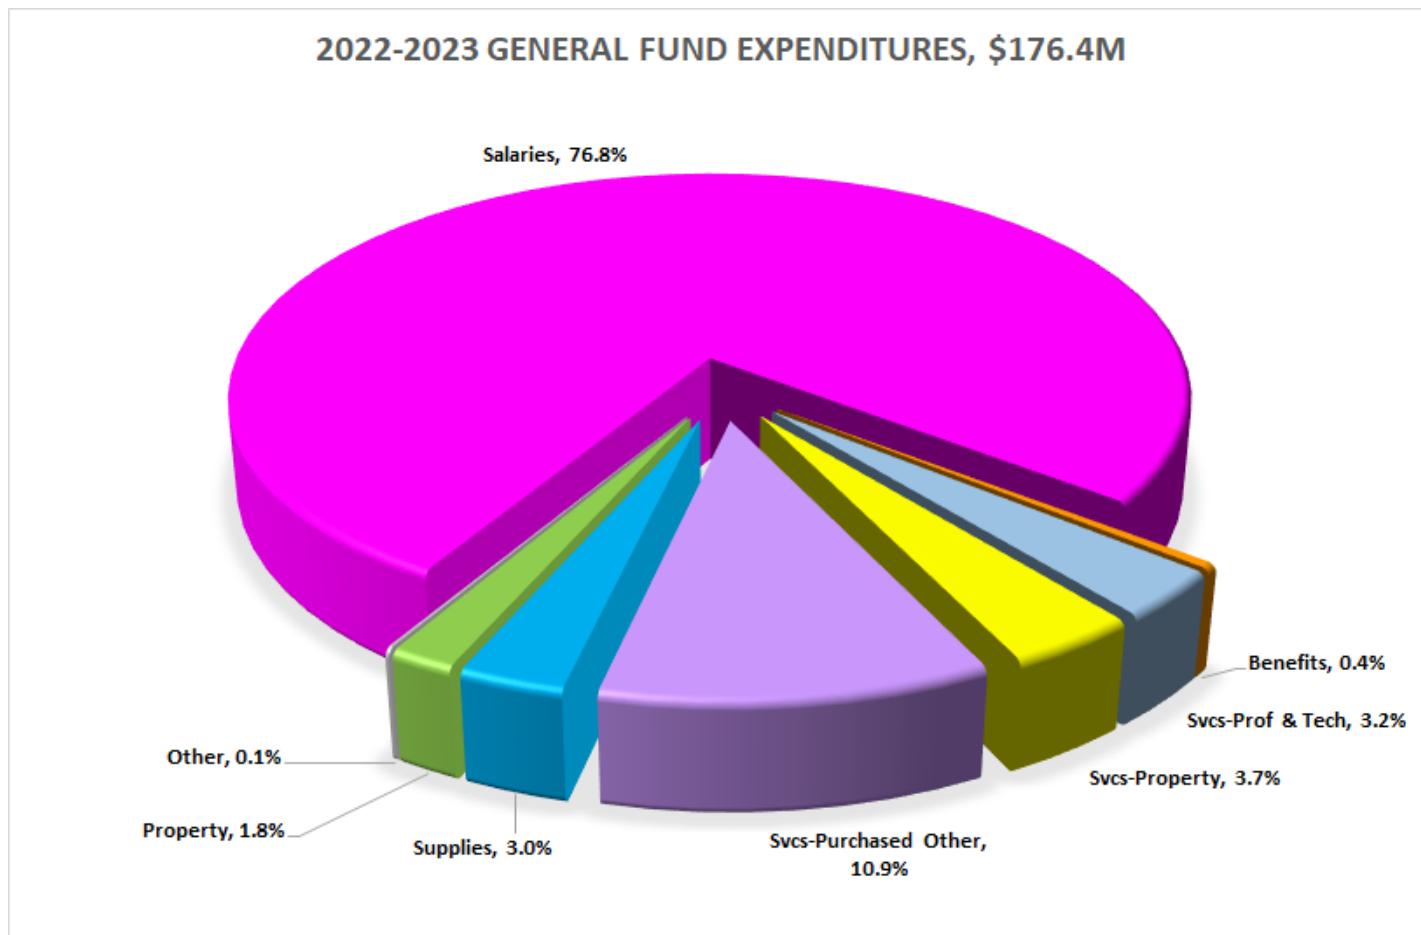

53300	Wearing Apparel (incl material)	Facilities, Media
53310	Personal Protective Equipment	Facilities
53350	Custodial & Household Supplies	Facilities; consumable only
53500	Motor Fuel And Lubricants	Town vehicles through Fleet
53510	Parts For Automotive Equipment	Town vehicles through Fleet
53550	Mechanical Supplies And Small Tools	Facilities, Media
53640	Ordnance and Chemical Supplies	Facilities, Athletics (ltd.)
53700	Bldg. & Constr. Material	Facilities
53970	Prior Year Expenditure	300 Series
54050	Maintenance of Bldg/Supplies	Facilities
54070	Maintenance Of Air Conditioning	Facilities
54090	Maintenance - Requiring Painting	Facilities
54100	Maintenance Of Instructional Equipment	Outsource maintenance/repair of equipment (kilns, piano tuning, etc.) including school copiers
54150	Maintenance Of Furniture, Fixt not instructional	Outsource maintenance/repair of office/non- instructional equipment (Havemeyer copiers, typewriters, etc.)
54200	Maintenance of Machinery, Tool	Facilities
54210	Maintenance - Data/Word Process	Outsource maintenance/repair with media approval
54250	Maintenance Of Automotive Equipment	Town vehicles through Fleet
54350	Maintenance Of Roads, Bridges	Facilities
54970	Prior Year Expenditures	400 Series
56310	BOE School Sports Accident	Insurance for athletics
57350	Settlement of Claims & Judgments	Created in Program 53, 74,& 93 only to track settlements

General Fund – Expense Detail

The following pages present detailed General Fund expense information for the requested 2022-23 budget with comparisons to the 2021-22 budget and including references to 2020-2021 actuals:

1. Summary expense by major category including Salaries, Benefits, Services-Professional & Technical, Services-Property, Services-Purchased Other, Supplies, Property, and Other. These major spend categories are consistent with the Uniform Chart of Accounts at the CT State Department of Education.
2. Summary by sub category expense with a breakout of the major categories as follows:
 - Salaries: Certified, Non-Certified, Stipends, Longevity, Substitutes, and Other
 - Benefits: Vacation Payments, Sick Payments, Housing/Auto Allowance, and Retirement-401(k)/403(b)
 - Services-Professional & Technical: Professional Development, Legal, Consultants, and Other Professional Services
 - Services-Property: Water, Electricity, Gas Heating, Heating Oil, Telephone, Maintenance, Repairs & Service Fees, and Other Purchased Property Services
 - Services-Purchased Other: Transportation, Postage, Advertising, Tuition, Printing, and Other Purchased Services
 - Supplies: Teaching Supplies, Office Supplies, Custodial Supplies, Maintenance Supplies, Textbooks, Library Books, Software, and Other Supplies
 - Property: Office Equipment, Classroom Equipment, Building/Other, IT Equipment, Custodial Equipment, Other Purchased Property Services, and Other Equipment
 - Other: Settlement & Claims and Prior Year Expense
3. Expense detail by account
4. Program expense – by school/location / by object
5. School/Location expense – by program / by object

Preschool Program

Under the Individuals with Disabilities Act (IDEA), Greenwich is required to provide special education services to young children, ages 3-5 years old, who have been identified as having one of the qualifying disabilities. One of the compliance indicators for the state is the percentage of these young children served in “regular early childhood placements.” The preschool lottery serves to support the Least restrictive Environment by providing peer models to those students identified as special needs. In the most recent Annual Performance Report published in July which depicts the 2018-2019 school year, Greenwich exceeded the State target of 78% by 17.19% (95.19%). The children in the preschool program also exceeded every target for growth and functioning with age expectations when exiting the program. There are currently 13 preschool classes in four locations – seven are full-day programs in magnet schools (Hamilton Avenue and New Lebanon) and six are in other elementary schools (North Street and Old Greenwich) with a five-hour day model. One classroom is currently running remotely. The preschool classes are integrated with typically developing children from and children with disabilities. A lottery is held to identify the children for the slots for typically developing peers. For the 2020-2021 school year, there were 161 applications with 33 students remaining on the waitlist. (Families pulled applications/withdrew due to Covid 19) Typical peers pay tuition with an adjustment for students who are eligible for Free/Reduced lunch.

The identification of young children with disabilities has been increasing over the past nine years. Children identified with disabilities under the IDEA are entitled to begin services on the day they turn three years old. This means that children are entering the program throughout the year – both identified children turning three and children three-to five years old who are newly identified. Students may be recommended by the IEP team for a classroom or for clinic speech services only dependent on the students’ needs.

Out-of-District Tuition

Given the available supports and services, Greenwich serves most students with disabilities in their neighborhood schools. There are students however, who at some point in their educational career, are impacted by their disability to the extent that they can no longer be served safely and/or successfully in a public school setting. In many of those cases, the district will recommend placement in a public or private school that is out-of-district (OOD). Most OOD placements are in day programs, although there are some students whose disabilities necessitate a residential placement. There are also students without IEPs or Section 504 plans who may require placement due to incarceration, hospitalization or foster care placements.

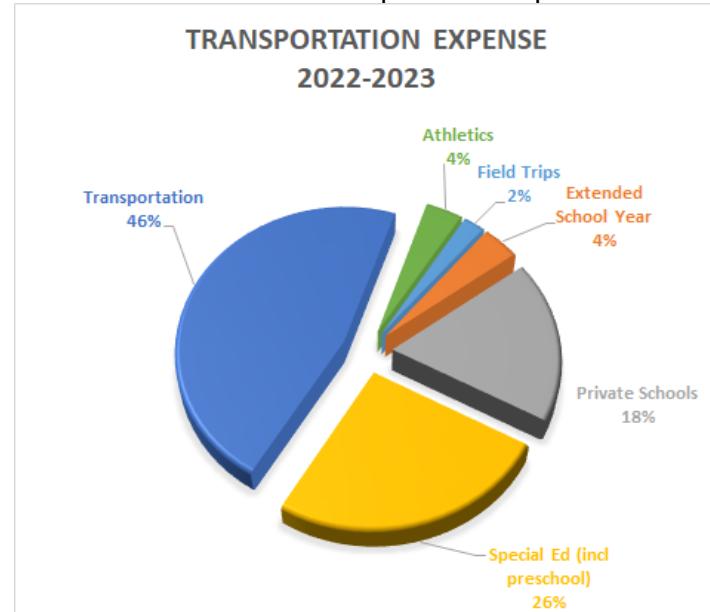

Over the past five years, OOD tuition and settlement expense has grown significantly due to an increase in students moving into Greenwich with either an existing OOD placement from the former district or upon arrival the student is unilaterally placed by the student's parents and subsequently request reimbursement from the district.

Recently, the number of outplaced students has stabilized overall but the projected increase in cost is attributable to students with more significant needs including residential placements.

Transportation

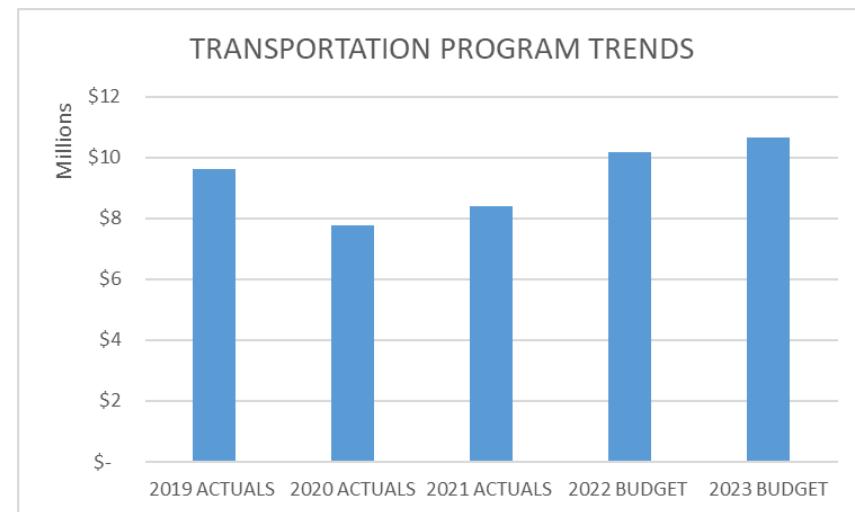

In line with Board of Education Policy 3541, the District provides "safe, reliable, efficient and economical transportation for all public, private, and parochial students in Greenwich to the extent required by law and as directed by the Board of Education for magnet school students." Free transportation is provided to and from school for students living beyond the established pupil walking distances within their attendance areas.

The decline in transportation costs in 2019-20 was due to a COVID-related renegotiation of the contract which resulted in a savings of more than \$2.0M. In 2020-21, the savings was primarily attributable to hybrid schedules at the high school and two full remote weeks following winter and spring break.

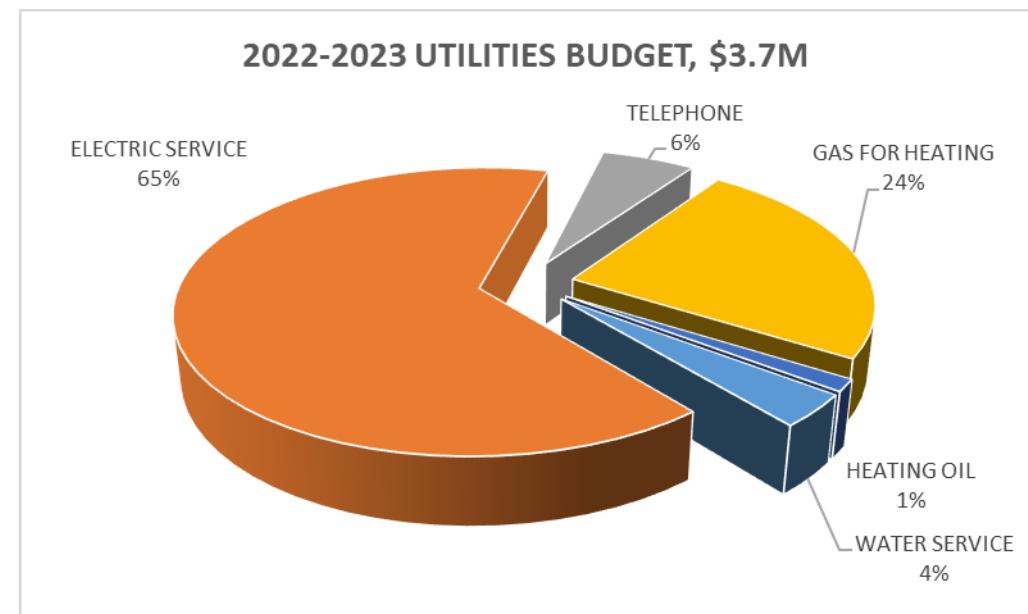

For 2022-23, the district is budgeting for seventy-four (74) Type I buses, flat to 2021-22 budget which reflected a reduction of 3 buses due to ongoing route consolidation efforts. For Special Education routes, the district also utilizes sixteen (16) Type II buses and eight (8) vans, along with monitors as required. The budget amount will be updated after the RFP process concludes.

Transportation is provided by Student Transportation of America (STA) for approximately 4,800+ public and private eligible students. The district also transports 115 special education students in-Town and 46 special education students out-of-Town. On average, STA accumulates 900,000 annual miles on its vehicles. The district is currently in the final year of a five year contract with STA and the budget for FY2022-23 represents a "placeholder" amount until the RFP process concludes (anticipated in late November).

Energy & Utilities

Energy & Utilities is not only a significant part of the district's overall operating fund budget (\$3.8M or 2.1%) it is also an area of focus in identifying ways to reduce our energy footprint and ultimately cost to the taxpayers of Greenwich. Partnering with Eversource, we have already completed two LED Upgrade projects (Parkway and North Street) and are in the process of completing five others (Cos Cob, Dundee, Eastern, Western, and GHS). Another project at Central is scheduled to complete in the Spring of 2022. Under the program, the schools get new energy efficient lighting with no upfront investment and Eversource funds approximately 52% in incentives and the District pays back the remaining 48% over 48-months with 0% interest. With the projected decrease in energy consumption, the monthly payback is expected to be offset by the monthly energy savings resulting in a small positive cash flow during the period. Upon completion of the payback period, the monthly energy savings will flow to the bottom line (annual estimated at \$678K). In addition to this program, we are also exploring other cost savings opportunities including solar with a Power Purchase Agreement (PPA), and Virtual Net Metering. The concept of Virtual Net Metering is where municipal power consumers can purchase power from Solar Project Owner-Operators who accumulate Net Metering Credits by selling power from their solar plants to the grid across the state. These credits, which have a cash value, can be sold to Municipal power consumers at a discount and result in a reduction of up to 15% on the municipal utility bill. There is no cost to the municipality and supports sustainable energy.

Capital Fund – Project Detail

Development

The Capital Fund is used for budgeting and tracking expenditures related to renovation, improvements, facility and technology equipment replacements and construction of facilities. In 2016-17, Greenwich Public Schools engaged KG+D Architects to perform a comprehensive assessment of all school facilities and to plan for maintenance, replacement cycles, renovations and Next Generation schools. Their work included evaluating enrollment projections, capacity and next generation models. As a result of this effort, KG+D concluded with a presentation of the recommended priorities for the District, aligned with the District's facilities standards which includes safety, ADA compliance, infrastructure, technology and provides for program improvements.

In addition to the 15-year Facilities Master Plan recommendation, Board of Education Administration is responsible for facilitating a capital program that allows for input from school administrators, performing visual inspections, reviewing facility help desk tickets (i.e. SchoolDude), reviewing previously developed 15-year capital plans and conducting meetings and site tours with each principal and head custodian. The annual capital budget process culminates in a revised 15-year capital plan that thoughtfully represents the District's most up-to-date prioritization of needs and requirements.

Note: if the above Major Projects are approved, there will be significant reduction in the amount of Annual Infrastructure and Facility Improvements below. The amount to be deducted will depend on the approved design of the Major Project and what portions of the Annual Infrastructure cost are included or excluded.

Account Categories

Recommended projects are presented by major category. The Town bundles projects in categories to provide the flexibility to access funding across like-projects.

Building Envelope

- ❖ Foundations and Structural Components
- ❖ Roofs
- ❖ Exterior Doors, Frames, Hardware
- ❖ Exterior Windows, Curtain Wall and Storefront

Mechanical/Electrical/Plumbing (MEP)

- ❖ Electrical Systems – power, distribution, lighting, fire alarm and security
- ❖ Heating, Ventilation and Air Conditioning (HVAC) equipment and distribution systems
- ❖ Plumbing - piping and fixtures
- ❖ Life Safety systems

Exteriors

- ❖ Landings, Steps and Ramps connected to a building
- ❖ Fencing
- ❖ Parking lots, minor paving, plantings

Interiors

- ❖ Renovations/upgrades to building spaces (e.g. classrooms, labs, media centers, auditoriums, stages, cafeterias, kitchens, gyms, fitness rooms, office spaces, bathrooms) including ceilings, lighting, doors, frames, hardware, wall finishes, floor finishes and millwork/casework.

Furnishings

- ❖ Classroom furniture
- ❖ Lockers
- ❖ Bleachers
- ❖ Blinds and Shades

Gymnasium Upgrades and Replacements

- ❖ Space improvement, including the replacement of bleachers, wall pads and floors

Technology and Digital Learning

Equipment (Custodial, Maintenance, Food Services, Safety and Security)

Status of Capital Projects by Year – as of October 2021

Reduction in Prior Year Budgets (over the last 12 months)

Budget Year	Oct-20 Available Budget	Oct-21 Available Budget	YTY \$	YTY %
FY18	\$2,360,067	\$1,413,672	(\$946,395)	-40%
FY19	\$3,910,962	\$2,377,489	(\$1,533,473)	-39%
FY20	\$6,430,718	\$3,262,673	(\$3,168,045)	-49%
FY21	\$11,020,492	\$5,874,974	(\$5,145,518)	-47%
Total	\$23,722,239	\$12,928,808	(\$10,793,431)	-45%
Bldg Committee	\$2,736,011	\$2,546,575	(\$189,436)	-7%
Total Prior Yr Budgets	\$26,458,250	\$15,475,383	(\$10,982,867)	-42%

- o Continued focus on timely completion of prior year projects
- o Available Balance for Non-Building Committee projects reduced by \$11M or -45%
- o Bldg Committee projects cannot be closed until formally "accepted" and audited by the State
- o Some projects, especially major projects can limit work to summer months, resulting in multi-year duration

The budget approval process follows the operating budget timeline with an added review called the Capital Improvement Plan (CIP) process as organized by the First Selectman. This process allows for additional community input and prioritization before moving forward to the Board of Estimate and Taxation for approval.

Capital Fund – Significant Capital Projects

The FY22-23 requested Capital Improvement Plan totals **\$37,878,621** of which **\$9,600,000** represents the major projects, **\$26,159,621** for facilities annual infrastructure and maintenance, **\$1,728,000** for Technology, **\$340,000** for Security, and **\$51,000** for Food Services. The following is a summary of the most significant items.

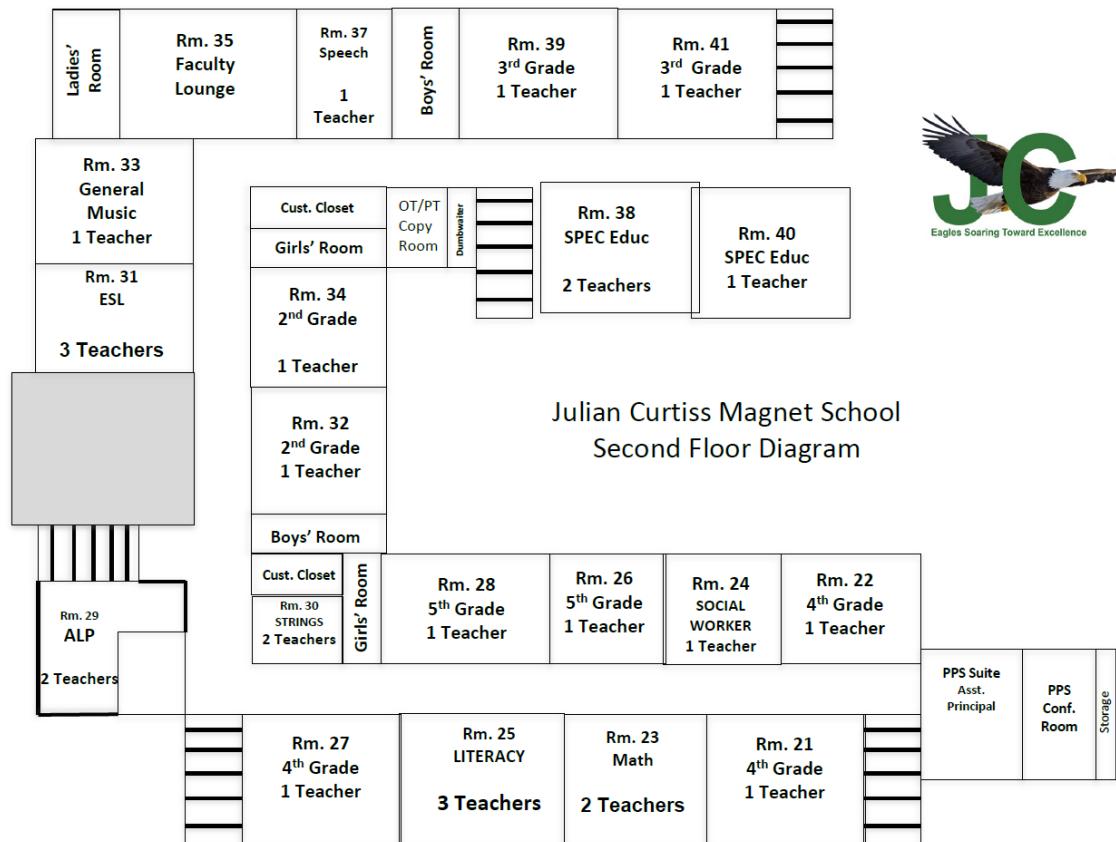

Major Projects, \$9,600,000

Ongoing – Julian Curtiss Design and Develop Construction Documents, \$1.800M

With the feasibility study complete the project will move forward with the creation of a Building Committee that will select an Architect to complete construction documents that will be driven by the Educational Specifications as well as the input of the Committee.

Julian Curtiss was built in 1946 and has not received any major improvements to the building since that time. The era predates any type of specialized programming which is now required by law. Most notably, small spaces which are required for reading interventions, math interventions, special education teachers, special education resource providers such as speech, occupational therapy, and English Language Learner spaces. The map is provided as a reference to demonstrate that there are no empty classrooms at Julian Curtiss. If another grade level classroom is needed, it means that more teachers get pushed into the same space for small groups and the building becomes overcrowded. JC is in need of modernizing their spaces to meet the demands of 21st Century programs, as well as the health and safety of the building.

Ongoing- Old Greenwich Design and Develop Construction Documents, \$1.800M

With the feasibility study complete the project will move forward with the creation of a Building Committee that will select an Architect to complete construction documents that will be driven by the Educational Specifications as well as the input of the Committee.

Old Greenwich requires health and safety improvements as well as a new secure entry way located on the ground level and to stop the flooding.

Ongoing - Cardinal Field Phase 2, \$6.000M

The request is to fund the remainder of the project (Phase 2). Phase 2 includes visitor side bleachers, visitor side building with ADA compliant public restrooms, driveway connecting the rear parking lot at GHS with Putnam Ave via a bridge over Brothers Brook and relocation of the tennis courts. The increase in funding from the prior year request is to address the soil issues anticipated for this phase and to account for cost escalation.

Ongoing - Western Middle School Soil Remediation, TBD

The process to begin the remediation of the athletic fields at WMS continues to be an arduous task. GPS and TOG DPW are working closely with Langan Engineering, the districts environmental consultant, as well as the legal team from McCarter & English to obtain the proper approvals and recommendations from the State and Federal agencies having jurisdiction of the site. The current estimates to remediate are currently between \$15M to \$20M. Once the approvals are in place and estimates firm up, the Board of Education will request an Interim Appropriation.

Annual Infrastructure and Facility Improvements, \$26,159,621

In the 15-year master plan, it was determined that a minimum of \$20M per year is needed to be invested in maintenance. Buildings, excluding technology improvements and programmatic / building renovations. Larger and more challenging projects will require that the work be completed in phases as to limit the interference with school activities.

New – CMS -Structural Repairs, \$2.971M

Central Middle School has been the subject of review by a Structural Engineering firm for the past few years. One of the initial concerns is the separation between the existing curtain wall system and the reinforced concrete floor. This is an estimated cost to complete the identified repairs. The Engineer continues to review and monitor the building. Funding for scope items identified in continuing professional review will be requested in future Budget Requests.

Ongoing – WMS ADA Compliance, - \$2.776M

The recently replaced LULA lift in the main corridor of WMS was the beginning of an overall ADA Compliance project for the school. Silver Petrucci & Associates has been tasked with reviewing the facility and providing the district with cost estimates and prioritizing

identified items. This funding request is based on the Accessibility Study Report from December 2020. Work items may include but are not limited to: relocated Handicapped Parking Spaces, rework front entrance to include a ramp system with handrails, compliant doors, appropriate signage, renovated program spaces and vertical transportation. Funding for scope items identified in continuing professional review will be requested in future Budget Requests.

Ongoing – Ceiling Systems – Various Locations, - \$2.118M

Replace ceiling systems with more energy efficient systems after lighting fixture replacement. Lighting replaced with incentive program offered by Eversource. Funds for ceiling systems may include Professional Services depending on the extent of the replacement. Locations include but are not limited to: JC, CMS, NS,NM and WMS

Ongoing – Replacement of Chillers at GHS, - \$2M

This is the final phase for replacement of the aged out units at GHS. Phase 1 was completed during the Fall of 2021 with much success. With this request the replacement of the remaining 2 units will be completed by late 2022. The new completed system will be more powerful and more efficient than the system it replaces.

New – ADA Compliance at Havemeyer, - \$1.263M

The Greenwich Board of Education Building is one of the least ADA complaint facilities in the portfolio. The building is in need of compliant; entries and egress locations, vertical transportation, signage, restroom facilities and workstations. This request is for the design and installation of a 3 stop elevator that will allow for vertical transportation form parking level to second floor offices. Professional services are included in this request.

Continuation – Structural Repairs & Replacement of Tile Flooring at GHS Pool Deck, -\$966K

This request is for the structural repairs and replacement of flooring system at the GHS Pool area. The professional review is near completion and this request is based on the preliminary order of magnitude cost estimate provided by the Architect. All Professional services are included in the request.

New – HVAC System at GHS Main Corridor, - \$668K

The long glass corridor that abuts the main entrance at HS currently does not have sufficient ventilation or air conditioning. This request will fund the Scope of Work that will be an Add Alternate to the current GHS Entry Project. The work had not been addressed in the original Ed Spec as the corridor was not considered part of the project

New Playground Replacement, DIST - \$581K

Removal of existing play scape structures and wood chip surfaces, installation of new age-appropriate play scapes, installation of District-standard rubberized play surfaces accessible paths to and away from new play areas and perimeter fencing as needed. Request includes professional services for the development of project specifications.

Other Projects

- Abatement Districtwide – removal/remediation of encountered contaminants including but not limited to: asbestos, lead & PCBs
- ADA Compliance minor addition of, or augmentation to, equipment or items to assist in district program to achieve ADA compliance at various locations. Including but not limited to handrails, guardrails, signage, restroom fixtures, program space etc.
- Building Envelope Exterior– including upgrades to exterior/windows, repairs or replacement to roofing systems, minor exterior masonry and or concrete repairs and replacement
- Equipment – replacement of dust collection systems at 3 middle schools. Request includes Professional Services and full replacement to non-compliant systems
- Exterior – higher priority projects include but are not limited to; replacement of steps to ramps at NS classrooms, resurfacing of running track at GHS and professional services to review on site storm water systems.

- Interior Projects including but not limited to; replacement and upgrade to;, district wide stage enhancements, ceilings and lighting upgrades including controls, replacement of flooring systems district wide as needed and continuation of painting program
- Mechanical Electrical Plumbing (MEP) projects including but not limited to: continuation with district program to upgrade or replace Emergency/Exit Lighting , replacement and/or augmentation to fire suppression systems, replacement of failed or outdated plumbing components including, valves, backflow preventers, pumps and fixtures, upgrades and additions to electrical distributions and replacement of HVAC components not previously listed.

Technology, \$1,728,000

New – Greenwich High School Cellular Improvement Project, - \$1.100M

Greenwich Public Schools has a need to provide reliable cellular service inside Greenwich High School. Due to the construction of the building, there is a complete lack of mobile phone service within the interior. This funding request is specifically to address this problem, which represents a safety issue for all staff and students that use the building. This project involves the build-out of a new interior antenna and amplification network with up-links to roof antennas which will provide carrier-agnostic cellular signals to mobile devices within the building.

The lack of reliable cellular service inside Greenwich High School presents a significant safety risk, as the wireless network within the building becomes a single point of failure. In the absence of Wi-Fi, no mobile communication would be available from within the building, effectively making all smartphones non-functional, which would be disastrous in an emergency situation. The funding for this project would provide the necessary infrastructure to provide universal, carrier-agnostic, cellular phone service in all areas of the high school that are used by students and staff.

New – Central Office Server Room Relocation, - \$350K

The school district's main server room is currently located in the basement of the Havemeyer building. There are multiple environmental factors which make this location a poor choice: 1) There is a restroom directly above the server racks, 2) there are pressurized plumbing lines running across the top of the room, and 3) there are pressurized steam lines running vertically through the room. If any of these were to experience a failure, the computer servers and network equipment in the room would be severely damaged and cause a district-wide outage that would take weeks to repair.

The current location of the school district's main server room is in the worst possible location, directly under a restroom. If any of the fixtures in the above restroom were to leak, there would be water falling directly onto our servers and network equipment. In addition, the current server room has pressurized water lines running directly above the racks. Furthermore, there is a pressurized steam line running through the room that, if it failed, would destroy all of the equipment in the room in a matter of minutes. Funding is needed to relocate the server and network equipment out of the basement and into a properly constructed server room on the main floor of the Havemeyer building.

Ongoing – IT Capital, - \$278K

The District remains committed to sustaining a fast, scalable data infrastructure. This Budget reflects the District's commitment to maintain 1) total wireless saturation in all spaces (inclusive of educational spaces), 2) a high-speed fiber optic backbone infrastructure, including switches, and 3) high speed wireless and wired connectivity in schools using industry-leading data cabling.

These funds are needed to provide the District with reliable network access between all schools and the Internet and is used to refresh the school district's thousands of wireless access points, network switches, and security appliances.

Grants Fund – Overview

Grants are received from various sources and classified as either entitlement or regular grants. Since Grants are not budgeted in Munis, they have been provided separately. Below are the funds the District receives annually.

ENTITLEMENT GRANTS

Consolidated – Title I, Part A

Federal Elementary and Secondary Education Act (ESEA) funds administered through the State Department of Education (SDE) to improve basic programs operated by Local Educational Agencies (LEA). Title I funds provide supplementary services to eligible children identified as having the greatest need for special assistance.

Consolidated – Title IIA Teachers

Federal ESEA funds administered through SDE for teacher and principal training and recruitment; as well as reduction in class size.

Consolidated – Title III English Language Acquisition

Federal ESEA funds administered through SDE for English acquisition and language enhancement.

Consolidated – Title IV Student Support and Academic Enrichment (SSAE)

Federal ESEA funds administered through SDE provides support to ensure our education system prepares every student to graduate from high school ready for college and career success. The SSAE grant is specifically directed toward improving the lowest-performing schools and providing each and every student with a well-rounded education, school conditions that ensure learning in safe and healthy school environments and technology that improves academic achievement and digital learning.

Bilingual Education Program

State of Connecticut funds to educate children identified as limited English proficient. It provides for the continuous increase in the use of English and a corresponding decrease in the use of the native language for the purpose of instruction.

Special Education – IDEA Part B, Section 611

Federal Individuals with Disabilities Education Act (IDEA) funds administered through the SDE to assist with the excess costs of providing special education and related services to children with disabilities in both public and private school (through a proportional share).

Special Education – IDEA Part B, Section 619

Federal Individuals with Disabilities Education Act (IDEA) funds administered through the SDE to assist with the excess costs of providing special education preschool and related services to children with disabilities in both public and private school (through a proportional share).

Maintenance of Effort requirements under the IDEA

The compliance standard in §300.203(b) of the Individuals with Disabilities Education Act (IDEA) prohibits a local education agency (LEA) from reducing the level of expenditures for the education of children with disabilities made by the LEA from local, or State and local, funds below the level of those expenditures from the same source for the preceding fiscal year. In other words, an LEA must maintain (or increase) the amount of local, or State and local, funds it spends for the education of children with disabilities when compared to the preceding fiscal year.

GRANTS

Carl D. Perkins Career and Technology Education

Federal funds administered through the SDE to fully develop the academic, career and technical skills of secondary students in career and technical education programs.

Competitive School Readiness

State of Connecticut funds to provide open access for children to quality programs that promote the health and safety of preschool children and prepare them for formal schooling. Greenwich is the fiscal agent for this grant. Family Centers, Inc. administers the program.

Note: The Town of Greenwich provides an annual reimbursement for grant related benefits which is categorized as a General Fund revenue, therefore, grant expenditures will appear higher than revenues.

School Lunch Fund

The Food Services department is committed to continued improvement on a variety of appealing and nutritious foods, allowing students to reach their maximum learning potential through healthy food choices. Guided by the National School Lunch Program (NSLP), administrative and parent committees, a team of dedicated culinary management professionals and nutritionists, we are continually working to further develop our programs, the children's mealtime experience and involvement, as well as creating an open-line of communication with our parents.

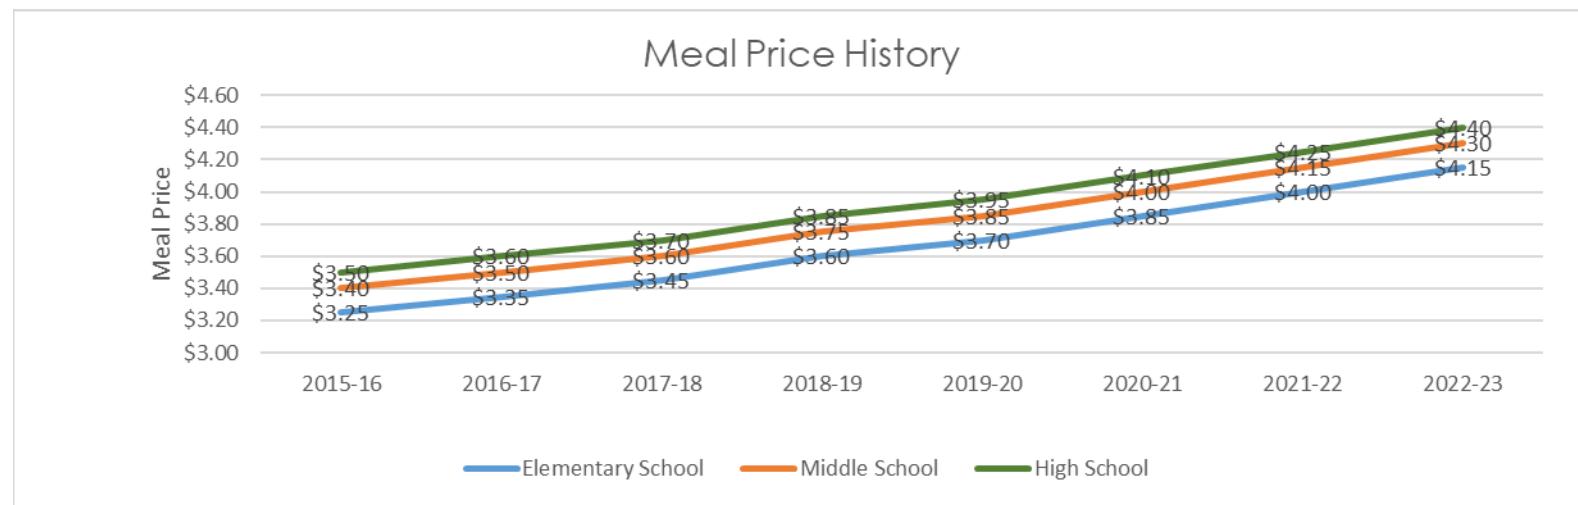

Our department objectives include:

- Improving teamwork, culinary standards and professional conduct through better District/School communications, celebrating successes, and conducting business in a highly professional manner.
- Provide nutrition support to employees, best practices, and staff-identified needs through administrative protocols, regular site visitations, professional development opportunities, effective evaluations, and by attracting and retaining highly qualified employees.
- Build participation and revenue by providing higher quality products, sound culinary preparation techniques, marketing and merchandising healthier snack options, partnering with district and community stakeholders.
- Continuing to improve school kitchens by providing the tools and equipment necessary to produce and serve safe, nutritious meals and a la carte food and beverages.
- Continued reduction of the Town's annual general fund contribution to the extent possible, and maintaining financial viability.

Notes:

*Increase in reimbursements, decrease in cafeteria receipts due to, GHS returning to National School Lunch Program and New Lebanon School, and free lunch districtwide.

Enrollment

Methodology Used to Project Enrollment

Projections were generated by Peter Prowda, PhD using the industry standard cohort survival method. The cohort survival method calculates historical grade-to-grade growth rates and then traditionally takes a five-year average of those ratios. Mr. Prowda calculated four different averages (three-year average, weighted three-year average, a five-year average, and a weighted five-year average) and selected the average that best fit the data, that being the five-year average.

The average growth rate for a grade was applied to the prior year's enrollment from the prior grade. The projection builds grade by grade, school by school, and year by year. The District projection was built from the sum of the individual school projections.

Birth to Kindergarten forecasting ratios used a three-year average and was based on state reported births through 2018. Births were estimated beyond that date.

Assumptions used in the projections include:

- Five-year historical migration rates for all grades and schools, with the exception of Kindergarten used a three-year, birth-to-Kindergarten ratio.
- All choice student patterns (tuition, magnet, and exceptions) continue as evidenced in historical migration patterns.

The full [2021-2022 Enrollment Report](#) will be presented to the Board of Education on November 4th, 2021.

Glossary, Definitions and Data Sources

Term	Definition
Accounting System	Records and procedures which record, classify, and report information on the financial position and operation of the Town.
Appropriation	A legally authorized expenditure or group of expenditures, granted by a legislative body for a specific purpose or purposes.
Interim Appropriation	Same as above; made during the fiscal year as opposed to the time the budget is adopted.
Supplemental Appropriation	See Interim Appropriation.
Asset	Resource held by the Town which has a monetary value.
Audit	A comprehensive investigation of the manner in which the government's resources were actually utilized.
BoardDocs	The District's e-governance website
Board of Education (BOE)	The governing body of the District consisting of eight elected members serving four year terms, with four members elected every two years.
Board of Estimate and Taxation (BET)	The Budget-making authority for the Town of Greenwich.
Budget	A financial plan for a specified period of time (fiscal year) that matches all planned revenues and expenditures with various municipal services.
Budget to Budget (B to B)	Typically used to refer to a year over year comparison of budget data.

Term	Definition
Budget Calendar	The schedule of key dates which Town departments follow in the preparation, adoption, and administration of the budget.
Budget Document	The instrument used by the Board of Estimate and Taxation (BET) to present a comprehensive financial statement.
Budget Resolution	Annual agreement between the Representative Town Meeting and the Board of Estimate and Taxation whereby the Board of Estimate and Taxation is authorized to apply for and accept grants, and to accept receipts from Town activities, as stipulated.
Recommended Budget	Budget presented to the BET from the Budget Committee for approval.
Proposed Budget	Budget presented to the Representative Town Meeting (RTM) by the BET for approval.
Capital Equipment	A budget category which includes items having a unit cost of more than \$10,000 and an estimated useful life of more than three years.
Capital Improvement	A permanent major addition of more than \$25,000 to the Town's real property assets, including the design, construction, and purchase of land, buildings or facilities, or a major renovation of the same in.
Capital Plan	The 15-year plan of proposed capital projects.
Certified Non-Represented	A class of District employees comprising of the Superintendent, Deputy Superintendent, Chief Academic Officer and Chief Pupil Personnel Officer.
Certified Non-Instructional	A class of District employees comprising of the Chief Operating Officer and the Chief Human Resources Officer.

Term	Definition
Department	A major administrative section of the Town which indicates overall management responsibility for an operation or a group of related operations within a functional area (usually comprised of one or more divisions).
Encumbrance	The commitment of appropriated funds to purchase an item or service. To encumber funds means to set aside or commit funds for a future disbursement.
Expenditure	Decreases in net financial resources. The outflow of funds for an asset obtained or goods and services provided regardless of when the expense is actually paid.
Expenses	Decreases in net total assets. Expenses represent the total cost of operations during a period regardless of the timing of the related expenditures.
Fiscal Year	The time period designated by the Town signifying the beginning and ending period for recording financial transactions. For the Town of Greenwich, this is July 1 through June 30.
Fixed Charges	Any type of expense that recurs on a regular basis but generally refers to settlements of claims and judgments.
Full-time Equivalent (FTE)	Staffing is presented in Full-Time Equivalent (FTE) as opposed to count of full-time employees. FTE generally includes full-time employees with at least a single assignment of .50 or greater.
Fund	An accounting entity that has a set of self-balancing accounts and that records all financial transactions for specific activities or government functions.
Fund Balance	The excess of assets over liabilities.
General Fund	The largest fund within the Town of Greenwich, which accounts for all of the financial resources and liabilities of the government except those required to be accounted for in another fund. General Fund revenues include property taxes, licenses and permits, intergovernmental revenue,

Term	Definition
	service charges, and other types of revenue. This fund also includes most of the basic operating services, such as general government, public safety (fire and police), public works, health, social services, libraries, museum, parks and recreation, schools and general administration.
Grant	A contribution by a government or other organization to support a particular function.
Greenwich Municipal Employees Association, Inc. (GMEA)	A labor union comprised of non-certified support staff including, but not limited to, administrative assistants, clerical, information technology, media, food service, theatre production, health services, print shop and business operations.
Greenwich Organization of the School Administration (GOSA)	A labor union that is comprised of the following school and district administrators: Headmaster, Middle School Principal, Elementary Principal, Program coordinator, House Deans, Assistant Principals, Program Administrator, Athletic Director, Assistant Headmaster, Research Manager
Greenwich Teachers Association (GEA)	A labor union that includes certified teachers. This group also includes specialists, psychologists, social workers, speech pathologists, and coaches.
Laborer's International Union of North America (LIUNA)	A labor union that includes professional assistants (support to teachers), directors, managers, specialists, supervisors, therapists, coordinators, and security personnel.
Levy	The taxes, special assessments or service charges imposed by the Town to support activities.
Line-Item Budget	A budget that lists each expenditure category (salaries, material, supplies, etc.) separately, along with the dollar amount budgeted for each specific category.
Major Object Classification	A budget category which captures the costs associated with a specific group of expenditures i.e., personal services, services other than personal, supplies and materials, etc.
Management & Confidential (M&C)	A small class of employees that are non-represented, generally including District level Specialists and Directors.

Term	Definition
Mill Rate	The amount of tax stated in terms of mills (three decimal points) of the tax base.
Object of Expenditure	A line item expenditure related to a particular expenditure within a major object classification e.g., New Positions is a major object code within Personal Services.
Operating Budget	Annual appropriation of funds that pertain to daily operations of the Town. This includes personal services, materials and supplies, etc.
Operating Expenses	Those expenses from a fund which are correctly related to accomplishing the fund's primary functions.
Property Tax	Taxes levied on both real and personal property according to the property's valuation and the tax rate.
Public School Information System (PSIS)	The Connecticut State Department of Education uses the Public School Information System (PSIS) to collect data regarding student enrollment throughout the state of Connecticut. These data are used for federal and state grants; PSIS data also connect to other CSDE data collection systems.
Representative Town Meeting	The Representative Town Meeting is the 230-member legislative body of the Town of Greenwich, with its powers vested by the Town Charter.
Reserve for Restricted Receipt (RRR)	An account used to indicate that a portion of a fund balance is legally restricted for a specific purpose and is therefore not available for general appropriation unless specified in the BET Budget Resolution.
Revenue	Funds that are received as income. It includes such items as tax payments, fees for specific services, grants from other governments, fines, grants, shared revenues and interest income.
Table of Organization	Refers to the Greenwich Public Schools' approved list of positions.

Term	Definition
Teamsters (Local #456 International Brotherhood of Teamsters)	A labor union comprised of custodial, maintenance or building maintenance staff, inclusive of tradesmen.
Unencumbered Balance	The amount of an appropriation that is neither expended nor encumbered. It is the resource still available for future commitments and purchases, within the fiscal year.
The United Public Services Employees Union (UPSEU)	A labor union comprised of nurses for the District.
