The Rudd Scholarship covers any remaining cost of attendance after all other aid, grants, and scholarships are applied to a student's account. Cost of attendance includes tuition and fees, books and supplies, and room and board. The scholars will participate in many developmental activities outside the classroom, network with leaders in their future professions, build strong relationships among themselves, and serve to help the next generation of scholars through an active and connected alumni association after graduation.

Students must apply online at www.ruddfoundation.org/college-scholarships and demonstrate their grit, determination and work ethic. Don't delay, don't procrastinate, and don't rush to submit less than your best effort.

Finalists will be invited for interviews in February and approximately 25 winners will be announced in March
