

Literacy 101: Building a Foundation for Literacy

Tuesday, November 30, 2021 - 9:00-11:00 a.m.
Longfellow Administration Center

Reading is the foundation for all learning, so what is the best way to help a child learn to read and understand what they are reading?

Lit 101: Building a Foundation for Literacy is a FREE two hour training for Wausau School District volunteers who are working with students (or who want to work with students in the future) on reading at the elementary level. You'll learn key things to listen for and important questions to ask students. The training will assist you in understanding how to best help the students you are volunteering with.

"The more you read, the more things you will know. The more that you learn, the more places you'll go."

~Dr. Seuss, "I Can Read With My Eyes Shut!"
