

Frost Reading Programs for Grades 2 – 5

Dear Parents and Guardians,

The Frost Elementary Library has a few reading programs this year that your child may participate in if they wish. The Otter and Sasquatch Award books are chosen each year by the Washington Library Association (WLA) and students across the state of Washington are encouraged to read the books and participate. After students have read the books, they will get to vote for their favorite book. Voting takes place in May and votes are sent to the WLA and counted together with votes from participating students in the state. Only one book can win!

We invite you to take part in reading with your children! Students can read the books independently or with friends and family. Books can be read as a bedtime story, as a family activity, listened to via audiobook, and more.

If you have any questions, please email me at mdjaboury@lwsd.org.

Happy Reading!
Ms. Djaboury
