

STUDENTS ON GOVERNING BOARDS

The Ephrata Board of Directors recognizes the value of communicating with students and receiving their input and perspectives. At which time, the board may choose to annually seat two student representatives as advisory non-voting members of the board.

Student representatives on the board would be expected to attend all meetings. The student members will contribute to board discussion by providing student insight and perspective, serve as a liaison for the associated student body and report to students about the work of the board and district activities. Student representatives would not attend executive sessions, make motions or hold board offices.
