

## Drug-Free Schools, Community and Workplace

The board has an obligation to staff, students and citizens to take reasonable steps to assure safety in the workplace and to provide safety and high quality performance for the students that the staff serves.

That includes any school building or any school premises; any school-owned vehicle or any other school-approved vehicle used to transport students to and from school or school activities; off school property during any school-sponsored or school-approved activity, event or function, such as a field trip or athletic event, where students are under the jurisdiction of the school district which could also include work on a federal grant.

For these purposes, the board declares that the following behaviors will not be tolerated:

- A. Reporting to work under the influence of alcohol, illegal and/or controlled - substances including marijuana (cannabis). -
- B. Using, possessing, transmitting alcohol, illegal and/or controlled substances, including marijuana (cannabis) and anabolic steroids, in any amount or in any manner on district property at any time or when involved in a school district activity on or off school district property. Any staff member convicted of a felony attributable to the use, possession, or sale of illegal and/or controlled substances including marijuana (cannabis) will be subject to disciplinary action, including immediate termination.

This includes drugs which are known or advertised as possibly affecting judgment, coordination, or any of the senses, including those which may cause drowsiness or dizziness. The supervisor, in conjunction with the district office, then will determine whether the staff member can remain at work and whether any work restrictions will be necessary.

As a condition of employment, each employee will notify his or her supervisor of a conviction under any criminal drug statute violation occurring in the workplace as defined above. Such notification will be provided no later than 5 days after such conviction. The district will inform the federal granting agency within ten days of such conviction, regardless of the source of the information.

Each employee will be notified of the district's policy and procedures regarding employee drug activity at work. Any staff member who violates any aspect of this policy may be subject to disciplinary action, which may include immediate discharge. As a condition of eligibility for reinstatement, an employee may be required to satisfactorily complete a drug rehabilitation or treatment program approved by the board, at the employee's expense. Nothing in this policy will be construed to guarantee reinstatement of any employee who violates this policy, nor does the school district incur any financial obligation for treatment or rehabilitation ordered as a condition
