

Management Support

Bus stops shall be established which:

- A. Are frequent enough so students do not have to walk more than one (1) mile to and from the bus. Bus stops may be more frequent when the road has been declared unsafe for walking.
- B. Are located where students can stand a safe distance from the road.
- C. Allow, where possible, the bus to get completely off of the road.
- D. Provide at least 500 feet on 35-mile-per-hour roadways, and 800 feet on 50-mile per-hour roadways of unobstructed visibility, both ways.
- E. Require as few students as possible to cross roadways with no students crossing multiple lane roads and highways.
- F. Are located where no damage is likely to occur to private property and where the number of students waiting does not create unsafe conditions and/or situations.
