CONDITIONS FOR THE USE OF SCHOOL FACILITIES

The Muncie Community Schools Board of School Trustees is interested in the positive utilization of school facilities for the health and enjoyment of all who participate; however, school authorities must also be concerned about the care of school property and the types of activities which are carried out in our school facilities. School facilities are available as a privilege, not a right. In order to offer this service to the community, it is necessary to have rental fees. When rental charges are waived cost recovery fees will be accessed for the use of the facility.

1. All permit applications shall be made to the appropriate facility administrator. Final approval will be granted by corporate administrative representatives of the Board of School Trustees.
2. Rental of buildings shall not be made, nor use of buildings permitted, which will interfere with regular school programs, extra-curricular programs, or extended day programs.
3. The Board of School Trustees reserves the right to reject any application for the use of school buildings and grounds.
4. The Board of School Trustees reserves the right to cancel the use of any school facility at anytime. When a school is closed for any reason, the rental is automatically cancelled. The Muncie Community Schools is not liable for any damages, direct or consequential, if the facilities agreed upon are not made available. In this instance the applicant's fees will be refunded.
5. The insurance carried by the Muncie Community Schools does not protect the applicant from damages, suits, proceedings, actions, claims, demands, costs or expenses that might be levied against them.
6. The Board of School Trustees and its employees shall not be responsible for damage to or loss of property upon school premises sustained by the applicant/participant in a program or patron of any program held on school property.
7. The Board of School Trustees reserves the right to make special arrangements for the use of school facilities by other governmental agencies. The regular fee schedule may be altered to accommodate such an agency.
8. Rental and all other fees are to be paid *at the MCS Service Center* by certified check, cashier's check or money order made out to the Muncie Community Schools. Payment is to be made within seven business days PRIOR to the event. School building representatives are not permitted to collect fees. All fees must be paid at the Service Center. **PERSONAL CHECKS WILL NOT BE ACCEPTED!**
9. A school custodian and/or other appointed representatives of the school must be on the premises at all times.
10. The use of the building will be strictly confined to areas designated or included in the permit. The applicant and his/her organization will be held responsible for the compliance of these rules by all persons participating in or pertaining to the activity. If there is a question concerning the rental, the school custodian or other representatives of the school system on duty shall have immediate authority in any matter covering the use of the building. Failure to comply with these rules and regulations will be sufficient reason to cancel future privileges for use of school facilities.
11. In accordance with the Delaware County Ordinance 2006-004 and School Board Policy #7434 smoking or the use of tobacco products is prohibited in or on the premises of any MCS building or facility. Only fire resistant decorations can be used with no open candles or flames of any kind.

CONDITIONS FOR THE USE OF FACILITIES
