class descriptions

Aqua HIIT

Aqua HIIT is High Intensity (low joint impact) Interval Training. This vigorous aqua-express class will help you burn calories and make the most out of your lunch break.

Aquapower

High energy routines let you burn the most calories while still enjoying a no-to-low impact workout. Get ready to heat it up in our cool pool!

Aquarobics

This no-to-low impact class is perfect for those looking to start a fitness routine or add variety to an existing one. The water provides buoyancy for support while you build a strong body. Great for rehabilitating after injuries.

Arthritis Exercise

Warm water is the ideal environment for relieving arthritis pain and stiffness. This class will help you gain flexibility, range of motion, and strength while relieving pain. Also appropriate for persons without arthritis.

Cycle

Sprint, climb, spin, and sweat in this high energy group biking experience set to powerful music. This cardio workout is done on a stationary bike and is based on cycle principles which focus on cadences, heart-rate zones, drills, climbs, and sprints.

Forever Fit

Move it, strengthen it, and stretch it in this mixed-format class. Guaranteed to work all your muscles, including your heart. Great for beginners and active seniors.

Pilates

Improve range of motion, postural strength and balance, abdominal strength, stability and control, and learn the body's awareness to its position in space.

Senior Strength + Balance

Seniors can experience strength gains later in life and practice balance moves to reduce the likelihood and seriousness of falling and other common movement injuries.

Yoga - Gentle

Experience a blend of Iyengar (alignment focus), a bit of Viniyoga (moving with breath), and Anusara influence (mind, body, spirit). Perfect for beginners or people with injuries or disabilities.

Yoga

Flow through this vinyasa class focusing on meditative breath, body strength, proper body alignment in asanas (postures), flexibility, and balance. A variety of levels are available.

Zumba

Dance your way to fitness, with Latin and international rhythms. Maximize caloric output, burn fat, and tone your body in a fun, party-like atmosphere.

Zumba Gold

Zumba Gold is done at a much lower intensity. It's just as much fun just not as fast! Zumba Gold utilizes the same great Latin styles of music and dance allowing you time to learn the steps that are used in Zumba basic program.

Classes are 55 minutes.
