

# Walk to School at Park Hill!!!

## Walking to School

We are encouraging PHJS' students to walk, bike or scoot to school so they can be healthy by using this form of exercise. We are also urging the children to do this because it is a solution to climate change and air Pollution; by doing this we can all help save the planet.

## The Tram Mascot Competition

Park Hill has recently taken part in the Tram Mascot Competition. This competition allow pupils to be able to create their own design of their mascot; whoever wins this competition will be able to have their own design hung near bus stops, tram stations and train stations around Croydon.

## Road Safety Week

Park Hill are celebrating Road Safety Week this year. This happens from the 15th - 21st November. We will teach children how to be safe while while crossing the road and have safer journeys.

## Walk to School

### Chart

Lately, Mrs Kataruka has created a walk to school chart that is given for each class in the school to be recording who walked, cycled to school each day for a month and this is to be done by the JTA (Junior Travel Ambassador) of each class. Each month we will count in total how many students did walk, cycle or scoot to school that month and how many days and that class who has the most amount of people doing it will have 5 minutes extra playtime.

## Walk to School Survey

We have also done a walk to school survey and it asks if children prefer to walk, bike and scoot to school or whether they do it frequently.

## A New Competition

We have recently introduced a new competition which is called The Rees Jeffrey's Road Fund Competition. The aim of this competition is to win £5000 for our school; to do this you have to send [www.rjrf.uk](http://www.rjrf.uk) your answer to this question: how do we improve the way that our roads and streets? work for us in a changing world? You can send them your idea in any format: writing, drawing, a poem, painting, a song or a video - anything you like. You can find out More from the given website. You have to answer this question by Friday 19th November.

## Brighten your Bag Competition

As part of Road Safety week, we are taking part in this competition. Children can decorate their bags to make it more visible and to create awareness for Road safety. Every class will have a winner who will receive a prize. Last date is 18<sup>th</sup> November.
