## **Family Activities**

At Patuxent-Appeal Campus, we provide many ways for parents and families to be involved in their child(ren)'s education. In September, families attend an Open House/Annual Meeting that reviews the Title I program and services, grade level expectations and Maryland College and Career Ready Standards. We also offer individual conferences at times convenient for parents and guardians to ensure that parents and teachers know how best to maintain two-way communication about student progress.

We also offer a range of parent and family activities throughout the school year, including:

- Family Reading Night (Virtual)
- Build a Gingerbread House Night (Virtual)
- Movie Night on the Lawn
- Science Night

As partners in your child's education, your input on the PAC School Improvement Plan, Home School Compact, Family Engagement Plan and spending of the family engagement funds is welcomed and encouraged. Please share your ideas at PTO meetings.

## **Community Partners**

## **Family Engagement Funds**

By law, 1% of Calvert County's Title I funds must be allocated for Family Engagement activities.

At Patuxent-Appeal Campus, \$17,460 has been allocated for the 2021-2022 school year.

In 2020-2021, these funds were used to hold family events and provide family learning materials.

Parent input on how these funds are spent is vital. To submit your ideas or comments, call Anthony Barone PAC Principal at 443-550-9710.
