

Study Island Student Directions

To get started:

1. Go to <https://clever.com/in/ARSD5>.  Log in with LDAP
2. Click Log in with LDAP.
3. Log in with your regular Amity username (not your email) and password. For example, washingtonge28. Your password should be your regular Amity password you use to sign into your computer.
4. If a class has been set up for you student, click on *My Classes*, and choose the appropriate class. If not, skip to the paragraph below.
5. Click on the assignment.

If you would like to practice a topic on your own, you can choose either CT Programs (traditional courses) or you can choose US Programs (SAT, ACT, etc.). Once in the program, you can select the topic you want to practice. Please note in the bottom image, each area of practice has a brief lesson you can click on to review those skills.
