

# Eagle Vision News – November 9<sup>th</sup>, 2021

## Centerville Families,

Happy Veteran's Day. One of my favorite parts of Elementary School is when we would hold our Veteran's Day program. This would involve bringing Veterans in and honoring them through song in an assembly. It is a time of respect for them and their service to our country. It brings out the patriotism and unity we feel with all being members of the great USA. This year however, due to covid-concerns, I made the difficult decision to forgo this assembly to preserve the health and well-being of our veterans. I have asked teachers to find ways to honor our veterans and the reasons for this holiday in their classrooms in their individual ways this year. I am hoping we can recontinue this time-honored tradition next year. To all of America's Veteran's and members of the US Armed Forces: this Veteran's Day, we salute you and THANK YOU for your service to America!

Next, please allow me to share several thank you messages. Parents, thank you for your patience and understanding as we navigate through 2021-22. I always appreciate your feedback, questions, and suggestions in education. It takes a community effort in educating children and I am grateful for your feedback. We are all in this together. Also, I want to thank the PTA and all their support of our teachers, our school needs, and their diligent efforts on our behalf. They have recently led us through our Safety week, provided our Grandparent Breakfast, and our Fall Festival, as well as feeding our staff during Parent Teacher Conferences. Thank you for your energy, your enthusiasm, and your desire and help in making Centerville Elementary great.

Finally, I want to thank all the parents, grandparents, community members that support us in so many ways. During our Halloween parade we experimented with having the event outdoors to include more people and create that social distancing we felt was so important. We had a great turn out and the students had a great time. We felt your support of our Halloween parade tradition and received lots of positive feedback. Thank you for your kind words and attendance; it means a lot to these students, and it means a lot to us.

"Ask not what your country can do for you-ask what you can do for your country." – John F. Kennedy, inaugural address, January 20, 1961

Mr. Holmes.

## Halloween Fun Run

A **HUGE** thank you to the students, parents and staff members for making the

**Halloween Fun Run** a great success! The event raised important funds for our school and brought our school community together in a show of unity and fun. While we fell just short

of our goal, we made more from this fundraiser than we had enough generous donors to our cause that we ever made before in selling Wasatch Savings books. We want to thank you for your show of support.

Special thanks to our incredible staff, PTA, and community members who volunteered their time to support our school fundraiser. It was a pleasure to have this opportunity to work together in support of Centerville Elementary School.

We did move our run indoors because of the threat of rain. As a result, the kids had a blast running around the school halls! Thank you to all who supported our fun run by running or paying pledges for those who ran those laps. There were some who ran more than 25 laps! Good job Eagles!

### PTA survey

Recently, a School of Excellence Survey was sent out via email. We have had some feedback that the survey would not let anyone open it that didn't have a school account. This problem has been solved.

Centerville Elementary PTA wants to continue the tradition of having our school among those with a School of Excellence Endorsement.

Please take a few minutes to follow the link below and complete this survey to help our PTA once again make Centerville Elementary even greater than before.
