

# Artistically Gifted and Talented Identification Process

## Referral

A parent, teacher, or an administrator must refer the student in order to be considered for an audition. A referral does NOT mean the student is accepted into the BCSD Artistically Gifted and Talented Program.

## Audition

Parents/Guardians will receive a confirmation letter by mail to sign-up for an audition. There are two audition locations, one school in northern Beaufort County and one school in southern Beaufort County. Auditions will determine if the student is accepted into the BCSD Artistically Gifted and Talented Program.

## Acceptance Letter

Parents/Guardians will receive an acceptance letter in the mail confirming or denying the student into the BCSD Artistically Gifted and Talented Program. Letters are typically mailed one month after auditions.
