RETURN TO IN PERSON BOARD MEETINGS

The school board voted at the October meeting to return our regular monthly board meetings to in-person. This will start with our next meeting on **Wednesday November 17th**.

****Committee meetings will still meet virtually.**

LOCATION AND CAPACITY

Meetings will be held in the library at Glen Hills Middle School.

Please note that in person attendance will be limited to the first 30 individuals.

There is space available on the East side of the library should we have more than 30 people arrive for the meeting.

COVID PROTOCOLS

Chairs will be spaced 3 ft apart and all attendees must follow physical distancing protocols.

All present must wear a mask over their nose and mouth in compliance with the district mask requirement.

AGENDAS AND LIVE STREAMING

Meeting agendas and zoom links will be found on Board Docs.

The meeting will still be available live streamed and a zoom link will be provided.

Please note that the format will be different and you will be joining the meeting as an attendee, meaning that you will be able to see and hear participants of the Board meeting but they will not be able to see or hear you.

All board meetings will be recorded and posted along with minutes on the district website.

PUBLIC PARTICIPATION

We are continuing to follow our current Public Participation Policy.

Public comments may be submitted in the following ways:
