## II. DISCUSSION ITEMS

Reports and Discussion Items

- A. The Board discussed how remote learning has been going. Students have been doing hybrid and this has helped improved student performance. There is a worry of fully remote for 4<sup>th</sup> quarter might bring some receding in attendance and performance.
- B. Dr. Cole reported on Standardized Testing. The students who have taken their ACT tests have shown solid scores and a great improvement by students overall. These are the highest collective scores in JHS history. Kudos to the staff and students. This information will be given to the AEC collection unit.
- C. The board discussed and approved the use of the ESSER II funds which will include hiring another outreach coordinator in addition to other academic support.

- D. Due to building reconstruction projects JHS will be on remote Learning for the remainder of the year. The Outreach team will visit the most in need students twice a week to make sure they are supported academically during this time.

EXECUTIVE SESSION – NO session because no ITEMS presented
