721 NUTRITION SERVICES MANAGEMENT

I. PURPOSE

South Washington County Schools will operate a cafeteria in each school, which shall be under the supervision of the Nutrition Services Director.

II. GENERAL STATEMENT OF POLICY

Nutrition Services will participate in the National School Lunch Program, the School Breakfast Program, and the summer food service program as the need for such is determined. The School Board will approve the prices set for the school lunch program. As required for participation in the National School Breakfast and Lunch Program the School Board agrees to the following regulations:

1. That a reimbursable meal be made available for students.
2. That free or reduced-price meals be provided to students who qualify for such meals.

Students will be permitted to bring their lunches from home and purchase milk and a la carte items. All students are expected to eat lunch at school and will not leave school grounds during the lunch hour except with permission from the school principal. The responsibility for the control of students using the cafeterias will rest with the building principals.
