

ACPS HAS A PROFESSIONAL DEVELOPMENT SPACE THAT IS ATTACHED TO THE SCHOOL CENTER I AND DEPARTMENT OF TECH OFFICES AT SEMINOLE PLACE.

Directions

- Off Route 29 you will turn west on Greenbrier Drive and take the next left into the 1180 Seminole Place Complex.
- Once in the complex, turn right, turn left and park near the Main Street Entrance. There is also a great deal of parking in an upper lot accessed by covered walk ways.
- When you come into the main street entrance walk down the long hallway to the sign for Third Avenue.
- Take a right, go through the flexible, plastic barrier and into the loading dock area.
- Head down to the loading dock and find the door on the left labeled **ACPS**.
- Come up the gray stairs and into the Dept of Tech suite of offices. Walk through the common area (with picnic table and refrigerators) .
- The Professional Learning rooms are straight ahead on the other side of the kitchen space and commons (large PD space on the left and small PD space on the right)
- *If you need elevator access, come into the main street entrance, walk down the long hallway past the sign for Third Avenue until you see the large Albemarle Tech sign just past the elevator. To use the elevator, push the button continuously until it arrives. Once in the school center, turn left and the Professional Learning rooms are on the other side of the double doors.*
