

Dear Parents and Carers 15.11.21

Welcome to another exciting week in year one!

This week we are hoping to continue with our D&T project (designing and making vehicles). We would be extremely grateful for donations of cardboard boxes such as cereal boxes.

Outdoor learning will continue this week. Chestnuts will be going on a Monday or Tuesday and Hazelnuts on a Thursday or Friday. Please could your child bring in a full change of clothes, including a long sleeved top and trousers. They will also need a pair of wellies or old trainers that can get muddy! It will get cold so a jacket or warm jumper would also be handy.

Art

This week in art, we will be looking at the artist Sonia Delaunay. We will be exploring the way she uses colours and shapes and will be creating our own artwork using her style and warm colours.

English

We will be continuing to read our focus text this week, 'The Emperor's egg'. We will be learning about verbs and will be using verbs to write a poem to describe how penguins move.

Maths

This week we will be learning about addition. We will look at adding numbers up to 10. We will use practical resources to help us add and will record using the '+' and '=' symbols.

Sounds Write

This week we will be continuing our learning on the extended code. We will continue to look at the /e/ sound and the spellings 'e, ea, and ai' and building words containing these.

Please could you practice reading and writing the following words based on our phonics this week.
head, said, jelly, spread, then, again.

Look at the spellings 'e, ea, and ai' Can you think of other words with these sounds?
