RECOGNITION OF VISITORS:

Several individuals requested to speak this evening.

Tom Tomlin: Thanks the Board for listening to the community's concerns. Mr. Tomlin acknowledges that items he may have heard could be false, but he has heard the same things from multiple sources. Mr. Tomlin has real concerns on how the team is being treated, there appears to be a lack of respect for the players, the language is foul and the management of the team appears to be inappropriate.

Tom Kenney: Father and Uncle of members of the Boys Basketball team. He feels that coaches need to be positive leaders and role models for our students. He indicated that the coach has done good things, but unfortunately the negative things outweigh the good. The coach is belittling, condescending, creates self-doubt in team members, and tells them he likes quitters. There is also illegal practices occurring in the off season.

Les Morgan: Had two boys that played for us and his grandson now plays here at RV. Recognizes that there have been positive things within the team. But, has witnessed down grading of the team, there is no encouragement for players to participate in other sports. Mr. Morean's grandson who enjoys basketball no longer want to play because of the atmosphere.

Jana Bauer: The situation has been a concern for a couple of years. Items of concern include: broken clipboard pieces flying around locker rooms, reminding players of their errors, verbal abuse of students witnessed by adults. Mrs. Bauer wants the Varsity Boys to be supported like the other teams. Believes the coach should lead, guide and mentor students.

Jim Johnson: Most of his concerns have been addressed by other individuals. His son has played basketball for RV for 2 years and no longer wants to play because of the situation/atmosphere. Coach has been disrespectful to his son.

SUPERINTENDENT’S COMMUNICATIONS/REPORTS:

Mr. Peterson gave updates to the Board of Education regarding levy activities and the meetings that have taken place. Mr. Peterson made the recommendation that the students not make up days because we have extra days/hours in our schedule that exceed the required number of hours set by Ohio Revised Code. Staff will have to put in the required contractual days, which will be filled with professional development.

Update /Overview of River Valley Baseball For Youth: Phil Harbolt presented an update of the River Valley Baseball for Youth program. The 2018 financial statements show a profit. The overpass reconstruction is still going on, but the complex will be ready for the upcoming season. Mr. Harbolt indicated that all the upgrades have been done with community help and support, no tax dollars have been spent on the complex.

Mr. Morrow, Building and Grounds Supervisor, discussed a BWC grant the district is applying for that will help with security throughout the District.

Each principal in attendance gave brief updates regarding the activities in their buildings and upcoming events as well. This covered the musical, kindergarten screening, competitions, testing, and highlights from athletics.
