Welcome: Introductions. Meeting norms are posted at the bottom of agenda.

Approve September Minutes: September meeting minutes were not approved because we were one member short of a quorum. September and October minutes will be approved at November meeting.

Rules of Order and Procedure: The council was asked to review the rules of order and procedure. Council members are welcome to bring up proposed changes.

LAND Trust Council Membership Report and Principal Assurance Form:
These can be found on the website.

Review Land Trust and SSP:
Land Trust: First priority was to fun Wellbeing Team- 3 Tier Social Emotional plan in partnership with the University of Utah for $27,000. Funding was secured through district without using land trust money, allowing us to put those funds towards a teacher’s salary to continue our teaming structure. PhD student did research project on the effectiveness of our teaming system and will present findings.

Student Success Plan: A vote is not needed to approve the SSP, though feedback is welcome. See presentation from Matt Smith.
Safe Technology and Digital Citizenship: There is a link on our website to access information about our digital citizenship policies and practices. Working to translate document in Spanish and will be ready soon. A vote will be held regarding this information in the November meeting.

Admin Update:
RULER Training- Yale Center for Emotional Intelligence- Three year process to train teacher in SEL program.

A2A+ Program (Assessment to Achievement Plus): Transformation Team of seven teachers and two admin being training and training faculty. Faculty meetings and PD days have been used to train teachers.

SCC Training is coming up. Email to come out soon with dates.

Land trust work can start in months to come, but the biggest goal is to continue working on teaming. Enrollment dip this year is proportional to other schools. Funding is connected to student enrollment in our school. Thus, the importance of funding from teaming research.
