Independent Study Policy
September 2021

Alameda Community Learning Center and Nea Community Learning Center (the “Charter School”), may offer independent study to meet the short-term educational needs of pupils enrolled in the Charter School. Independent study is an optional educational alternative in which no pupil may be required to participate and is designed to teach the knowledge and skills of the core curriculum. The Charter School shall provide appropriate existing services and resources to enable pupils to complete their independent study successfully. The following written policies have been adopted by the Alameda Community Learning Center and Nea Community Learning Center Board for implementation:

1. For pupils in all grade levels and programs offered by the Charter School, the maximum length of time that may elapse between the time an assignment is made and the date by which the pupil must complete the assigned work shall be seven (7) school days. Credentialed teachers may occasionally use their discretion to increase the elapsed time for assignments on a case by case basis.
2. The Lead Facilitator or designee shall conduct an evaluation to determine whether it is in the best interests of the pupil to remain in independent study upon the following triggers:
 - a. When any pupil fails to complete three (3) assignments during any period of seven (7) school days.
 - b. In the event a learner’s educational progress falls below satisfactory levels as determined by the Charter School’s Charter Petition which considers ALL of the following indicators:
 - i. The pupil’s achievement and engagement in the independent study program, as indicated by the pupil’s performance on applicable pupil-level measures of pupil achievement and pupil engagement set forth in Education Code Section 52060(d) paragraphs (4) and (5).
 - ii. The completion of assignments, assessments, or other indicators that evidence that the pupil is working on assignments.
 - iii. Learning required concepts, as determined by the supervising facilitator.
 - iv. Progressing toward successful completion of the course of study or individual course, as determined by the supervising facilitator.

A written record of the findings of any evaluation conducted pursuant to this policy shall be treated as a mandatory interim pupil record. The record shall be maintained for a period of three years from the date of the evaluation and, if the pupil transfers to another California public school, the record shall be forwarded to that school.

These procedures are as follows:

This conference shall be a meeting involving, at a minimum, all parties who signed the pupil's written independent study agreement.
