---

## Agenda Items

---

Welcome- Made introductions of all present members

Training - <https://www.youtube.com/watch?v=59JieblXXxA> – reviewed the state training video

Community Council Chair – Connie Stanger was nominated and voted in as the community council chairperson

## School News

- Covid Updates – reviewed current Covid conditions at the school- currently holding steady and below the state threshold for test to stay protocols
- 2021 Update -Reviewed basic results from end of level testing data. The school showed gains in closing the gap with district and state testing results in all tested areas.
- 2022 Update
  - Lunch and Learn – a new program to “summon” students to complete missing work during lunch
  - Clubs – With kids being out last year there is a great need to get students involved. Clubs are a big priority this year and we are offering multiple clubs
  - RAP – The advisory RAP class continues to benefit students and teachers by providing a place for students to read, do homework as well as allowing them to receive additional instruction from classes as needed.
- Building Update – discussed the start of school and how it appears students and teachers are of to a good start.
- Digital Citizenship - White Ribbon Week Overview – reviewed the digital citizenship responsibilities of Community Council and reviewed the steps that are in place at the school: filtered internet, safe schools training by the admin, in-class training in various classes and by counselors and the PTA sponsored White Ribbon week as well as the upcoming NetSmartz assembly.
